Lord Of The Flies Penguin:

Lord of the Flies William Golding, 2016-11-15 William Golding's unforgettable classic of boyhood adventure and the savagery of humanity comes to Penguin Classics in a stunning Graphic Deluxe Edition with a new foreword by Lois Lowry. As provocative today as when it was first published in 1954, *Lord of the Flies* continues to ignite passionate debate with its startling brutal portrait of human nature. William Golding's compelling story about a group of very ordinary boys marooned on a coral island has been labeled a parable, an allegory, a myth, a morality tale, a parody, a political treatise, and even a vision of the apocalypse. But above all, it has earned its place as one of the indisputable classics of the twentieth century for readers of any age. This Penguin Classics Graphic Deluxe Edition features an array of special features to supplement the novel, including a foreword by Lois Lowry, an introduction by Stephen King, an essay by E. M. Forster, an essay on teaching and reading the novel, and suggestions for further exploration by scholar Jennifer Buehler, and an extended note by E. L. Epstein, the publisher of the first American paperback edition of *Lord of the Flies*. For more than seventy years, Penguin has been the leading publisher of classic literature in the English-speaking world. With more than 1,700 titles, Penguin Classics represents a global bookshelf of the best works throughout history and across genres and disciplines. Readers trust the series to provide authoritative texts enhanced by introductions and notes by distinguished scholars and contemporary authors, as well as up-to-date translations by award-winning translators.

Lord of the Flies William Golding, 1959-07-27 Golding's iconic 1954 novel, now with a new foreword by Lois Lowry, remains one of the greatest books ever written for young adults and an unforgettable classic for readers of any age. This edition includes a new *Suggestions for Further Reading* by Jennifer Buehler. At the dawn of the next world war, a plane crashes on an uncharted island, stranding a group of schoolboys. At first, with no adult supervision, their freedom is something to celebrate. This far from civilization, they can do anything they want. Anything. But as order collapses, as strange howls echo in the night, as terror begins its reign, the hope of adventure seems as far removed from reality as the hope of being rescued.

Curating a Literacy Life

William Kist, 2022 *Curating a Literacy Life* spotlights the idea of curation as a process for inspiring student centered learning with digital media. Young people need to learn to become purposeful collectors and thus curators of their own learning. In this book Kist shows educators how to empower students as they make sense of all the books, videos, websites, and social media they access. Packed with ideas and activities developed over time in a high school setting, the book presents a model for learning to learn, a way of processing, making meaning, and repurposing all the texts around us. Kist demonstrates how curating can happen no matter where the teaching and learning are taking place, whether virtually or face to face in school or out of school. Using smartphones, a Netflix account, and access to a variety of YA canonical and media texts, this resource provides a foundation for becoming lifelong scholars and artists. *Curating a Literacy Life* is for both teachers and parents who are interested in helping young people harness, manage, and learn from the multiple messages and texts they encounter every day.

Book Features: A powerful model to help teens make sense of and even repurpose the texts they encounter daily. Ideas for making use of digital media in ways that are meaningful to today's students. Strategies for bridging the divide between in-school and out-of-school literacies. Activities developed during the author's years as an instructional coach at Cleveland's Glenville High School.

Faith Rising--Between the Lines David B. Bowman, 2021-05-25. This writing intends to rouse would-be believers to faith or enhance the faith of others through the adventure of modern fiction. While taking note of the secularity of our era, the author insists the Spirit of God has not departed the scene. The opening poem by Emily Dickinson, "Tell all the truth but tell it slant," proposes the author's contention that the indirect discourse of fictional writers may welcome readers to faith's door in ways sermonistic speech never did. The modern authors chosen for this purpose are Izak Dinesen, Annie Dillard, Kent Haruf, Loren Eiseley, Gary Trudeau, Garrison Keillor, William Golding, Walker Percy, Frederick Buechner, and Gabriel Marcel. Having explained one work each by these noted authors, the book closes by pointing to ways in which embedded faith may rise out of these pages to meet the reader where he or she lives.
