

Lorgue A Notre Epoque

Amédée Gastoué

Lorgue A Notre Epoque:

French Organ Music in the Reign of Louis XIV David Ponsford, 2011-06-16 A radical new approach to French Baroque organ music in which developments in musical style are coupled to performance practice **Organists and Organ Playing in Nineteenth-Century France and Belgium** Orpha Ochse, 2000-08-22 The art of the organist in nineteenth century France and Belgium is a rags to riches story full of extraordinary problems and changes Devastated by the French Revolution the organ profession rose from desperate circumstances to a period of remarkable brilliance By the end of the nineteenth century organ playing was enthusiastically applauded and had been thoroughly integrated in the musical life of Paris This account is not just a record of stellar events and famous names it includes failures all but forgotten musicians and unexpected encounters In a carefully documented study that is both scholarly and engaging Orpha Ochse traces three major aspects of the organist s art the development of the secular recital the organist as church musician and the education of organists In addition to presenting a comprehensive view of the organ profession in France and Belgium throughout the period she offers a new perspective on nineteenth century music in general **The Registration of Baroque Organ Music** Barbara Owen, 1997 Each part starts with a brief description of the political and religious climate of the period and the way such factors affected the compositions and the organ building of the time *L'orgue du Palais de l'industrie d'Amsterdam, la facture d'orgues moderne et la facture d'orgues néerlandaise ancienne et contemporaine* Charles Marie Philbert, 1876 **Perspectives on Early Keyboard Music and Revival in the Twentieth Century** Rachelle Taylor, Hank Knox, 2017-12-15 The twentieth century revival of early music unfolded in two successive movements rooted respectively in nineteenth century antiquarianism and in rediscovery of the value of original instruments The present volume is a collection of insights reflecting the principal concerns of the second of those revivals focusing on early keyboards and beginning in the 1950s The volume and its authors acknowledge Canadian harpsichordist Kenneth Gilbert b 1931 as one of this revival s leaders The content reflects international research on early keyboard music sources instruments theory editing and discography Considerations that echo throughout the book are the problematics of source attributions progressive institutionalization of early music historical instruments as agents of artistic change and education antecedents and networks of the revival seen as a social phenomenon the impact of historical performance and the quest for understanding style and genre The chapters cover historical performance practice source studies edition theory and form and instrument curating and building Among their authors are prominent figures in performance music history editing instrument building and restoration and theory some of whom engaged with the early keyboard revival as it was happening L'orgue en France Amédée Gastoué, 1921 **L'orgue, sa connaissance, son administration et son jeu** Joseph Régnier, 1850 Histoire de l'orgue Louis de Bondt, René Lyr, 1924 **Quelques réflexions sur le jeu de l'orgue** Antoine Bouchard, 2003 Étude sur l'orgue monumental de Saint-Sulpice et la facture d'orgue moderne Pierre-Henri Lamazou, 1862 L'Orgue à notre époque

Donald Mackey,1982 **Dix années au service de l'orgue français (1927-1937)** ,1937 *L'orgue ancien et moderne*
 H.V. Couwenbergh,Father Hilaire Vital Couwenbergh,1887 *La facture moderne étudiée à l'orgue de St.-Eustache* H. J.
 Ply,1880 *Guide de l'art instrumental* Jacquot,1886 **Revue de l'art chrétien, dirigée par J. Corblet** Jules
 Corblet,1859 **Revue de l'art chrétien** ,1895 Music in Canada Carl Morey,2013-11-26 Providing access to virtually
 any subject related to music and musicians in Canada more than 900 annotated entries are organized under 13 topics and
 indexed by author subject and title Background and supplementary information and suggestions for research are presented
 in introductory essays The material covered reflects the broad spectrum of music in Canadian society including historical
 analytical and biographical studies of music derived from the European tradition First Nations and Inuit music jazz and
 popular works folk and ethnic music education research and bibliographical materials The reader is also directed to some
 important on line resources Musical activity in Canada has developed remarkably in the past 50 years with a parallel growth
 of musical scholarship examining historical social and ethnological aspects of Canadian musical life This Guide is the first to
 draw comprehensively on the wealth of studies now available which are often dispersed and not easily located Consequently
 this information is invaluable to students and researchers interested in Canadian music the music of North America and
 Canadian studies Index **Histoire de Compiègne** L. de Ballyhier,1873 *Historique des sociétés chorales de Belgique*
 Augustin Thys,1861
