Los Angeles in Fiction David M. Fine, 1984 Imagining Los Angeles David Fine, 2016-06-01 The literary image of Los Angeles has evolved since the 1880s from promotional literature that hyped the region as a New Eden to contemporary visions of the city as a perplexing sometimes corrupt even apocalyptic place that reflects all that is wrong with America In Imagining Los Angeles the first literary history of the city in more than fifty years critic David Fine traces the history and mood of the place through the work of writers as diverse as Helen Hunt Jackson Mary Austin Norman Mailer Raymond Chandler Joan Didion Carolyn See and many others His lively and engaging text focuses on the way these writers saw Los Angeles and used the image of the city as an element in their work and on how that image has changed as the city itself became ever larger more complex and more socially and ethnically diverse This is essential reading for anyone interested in the literature and changing image of Southern California **Los Angeles** Peter Moore Smith, 2005 A beautiful neighbor's arrival and her eerie disappearance knocks Angel Veronchek's solitary reclusive life off balance and plunges him into the sinister world of Los Angeles nights a world of secrets that aren't meant to be told and people who aren't meant to be found

Stravinsky Arnold Schoenberg Man Ray Bertolt Brecht Christopher Isherwood Aldous Huxley Thomas Mann and Franz Werfel Starr gives a fascinating account of how many of them attempted to recreate their European world in California and how others like Samuel Goldwyn provided stories and dreams for their adopted nation Starr reserves his greatest attention and most memorable writing for San Francisco For Starr despite the city s beauty and commercial importance San Francisco s most important achievement was the sense of well being it conferred on its citizens It was a city that magically belonged to everyone Whether discussing photographers like Edward Weston and Ansel Adams hard boiled fiction writers or the new breed of female star Marlene Dietrich Jean Harlow Bette Davis Carole Lombard and the improbable Mae West The Dream Endures is a brilliant social and cultural history in many ways the most far reaching and important of Starr s California books
