they finally started talking and found a way to get their relationship back on track They also found that if they spoke honestly and openly to family and friends they could get those relationships back as well Knowing that other couples who have lost a baby would be going through similar difficulties they decided to write down their experience in an effort to help them Their beautifully written and poignant story dealing with an issue that is too rarely acknowledged and discussed openly is one of complete and heart rending honesty

Silent Cries Jonny Ivey, Joanna Ivey, 2021-01-21 When Edith was stillborn without warning Jonny and Joanna were stunned and confused Why wasn't anyone talking about baby loss Where could they turn for help Who would answer their burning questions One in four pregnancies ends in miscarriage one in 200 in stillbirth And yet while the church offers resources to cope with suffering generally there is often an echoing silence when it comes to the trauma of baby loss When we lost our daughter Edith say Jonny and Joanna it was painful indeed to find the lack of biblically rooted and pastorally sensitive resources Nothing really hit the mark so through tears they wrote this book It comes to you or someone close to you with a massive hug It is the authors prayer and passion that you will be amazed by our great God as you connect with deep truths from the Bible bringing healing to your heart mind and soul Will help us to grieve better when a baby in one of our churches dies Jonathan Gibson Every grieving parent will empathize with Jonny and Joanna's Jesus
