Drawn into a world of danger and desire she finds herself irresistibly captivated by a man who is both a thrill and a threat His touch ignites a fire within her his gaze a silent promise of forbidden pleasures As the night unfolds the line between passion and peril blurs pulling her deeper into a game where the stakes are higher than she ever imagined Caught in a seductive dance with fate she must decide will she surrender to the intoxicating unknown or risk everything to escape before it s too late Recover! Stanton Peele,Ilse Thompson,2014-02-04

For decades you ve been told that addiction is an irreversible disease a biological force over which you have no control That defeatist message not only is without scientific foundation but actually prevents your overcoming addiction Now world renowned addiction expert Stanton Peele demystifies addiction and offers a groundbreaking program that puts at your disposal what does work in treatment and recovery For four decades Dr Peele has challenged our understanding of addiction and recovery He has developed approaches that break the cycle of addiction and empower us to take control of our lives including understanding that we are able to direct our own brains to change In Recover Dr Peele s PERFECT Program takes you through the key concepts of mindfulness that is your ability to detach from your addictive experience and to see that it is not who you are combined with the Buddhist idea of loving kindness or self acceptance It s an easily grasped yet multifaceted program that allows your true self to overcome your addictive urges Instead of focusing on what s wrong with you the PERFECT Program will help you discover embrace and build your recovery on what s already right about you Combining the best evidence based treatments with the mindful use of meditation Recover presents a life transforming philosophy for freeing yourself from addiction forever *Claiming Value* Alena Wolflink,2022-09-08

Value is typically theorized from the frameworks of economic theory or of moral ethical theory but we need to instead think about value foremost as political Alena Wolflink uncovers a tension in value discourses between material and aspirational life As she shows erasing this tension as has been the historical tendency can entrench existing configurations of power and privilege while acknowledging the tension is a vital part of democratic practice Using genealogical conceptual historical and interpretive approaches and drawing from such diverse sources as Aristotle Anna Julia Cooper Michael Warner Alicia Garza and Patrisse Khan Cullors Wolflink argues that abstractions of value discourse in both economic theory and moral philosophy have been complicit in devaluing the lives of women queer people and people of color Yet she further argues that value claims nonetheless hold

democratic potential as a means of asserting and defining priorities that center the role of political economy in the making of political communities With many real world examples vividly portrayed *Claiming Value* is an unusually accessible work of political theory accessible to students in courses on political theory moral philosophy social theory economic theory democracy social inequality and more *Readings for Diversity and Social Justice* Maurianne Adams,2000 These essays include writings from Cornel West Michael Omi Audre Lorde Gloria Anzaldua and Michelle Fine The essays address the multiplicity and scope of oppressions ranging from ableism to racism and other less well known social aberrations

Breaking Free Mindset Gabriel Barnes,Al,2025-02-27 *Breaking Free Mindset* delivers a practical evidence based approach to overcoming addiction by targeting thought patterns and promoting mindfulness The book emphasizes the importance of cognitive restructuring which involves identifying and challenging the distorted thoughts that fuel addictive behaviors It also highlights mindfulness based relapse prevention teaching readers to observe cravings without acting on them This combination addresses both the cognitive and emotional aspects of addiction offering a holistic path to recovery The book uniquely integrates cognitive behavioral therapy CBT principles with mindfulness techniques drawing on neuroscience to explain how addiction affects the brain s reward system You ll learn how addictive substances or behaviors hijack these pathways leading to compulsive actions By understanding these mechanisms readers can consciously reshape their thoughts and rewire their brains The book progresses systematically beginning with core concepts like cognitive distortions and triggers It then explores practical techniques for challenging these thoughts and delves into mindfulness principles for relapse prevention The final sections focus on building a sustainable recovery plan including goal setting and seeking social support Through practical exercises and real life examples *Breaking Free Mindset* guides readers toward lasting freedom from addiction Private Property Rights Protection United States.
