## Lost In Church:

**Lost in Church** Jonathan Cash,2002 For the Son of Man came to seek and to save what was lost Luke 19 10 NIV Week after week you sit peacefully in church You think everything is OK But do you really hear the groaning of our lost world Can you hear the cries of young girls with unwanted pregnancies the hateful words from the couple who once vowed to love one another the tired excuses of the overworked the driven the defeated Or are their cries muffled by the gossip in the next pew the self seeking prayers the unforgiving attitudes barely hidden behind a faade of outward holiness Out of this chaos hear a Voice of hope It comes from One who seeks to rescue the wounded liberate the enslaved revive the disheartened But His message is not just for the lost world it s for the lost in church If lately you ve been feeling more hypocritical than holy more apathetic than authentic more critical than caring If limits on what or how much you will forgive have crept in If you ve been seeking the gifts rather than the Giver If you ve found yourself spreading gossip instead of grace If you realize the intimacy you once had with God has dried up Then journey with Jonathan Cash as his transparent words help to truly satisfy the longing in your heart and renew your relationship with the Lord Your heavenly Father longs to restore your spirit and show you how to live as you find your way home Lost Church Alan Billings,2013-01-17 In trying to understand the relationship of the British people to religion specifically Christianity we tend to say that people believe or do not attend or do not The argument of Lost Church is that the majority of people do not really fit either of these categories Rather they belong in the sense that they feel some affinity to Christianity and the Church they are not hostile to its ministers they do not find churches alien places to be and they turn to the Church and its clergy on specific occasions But they do not want to attend regularly and their beliefs may be incoherent or even nonexistent and often flicker on and off like a badly wired lamp This absorbing and encouraging volume is a call to lay Christians and clergy to take stock of what is happening and to recover an understanding of the Church that will not alienate those who belong but rather enable ministry to them to continue
