**Alcohol in the Movies, 1898-1962** Judy Cornes, 2006-10-03 A 1906 film called The Dream of a Rarebit Fiend shows a man drinking and eating voraciously at a restaurant then going home to bed In the surreal scenes that follow furniture disappears tiny devils poke the man's head with pitchforks and his bed hurls itself out the window and across the city But it wasn't commentary on drinking rather it was a showcase of early special effects double exposure photography panning shots and montage Turn of the century films typically treated drinking as a subject for comedy and ridicule and the comic possibilities translated well into silent movies As talkies developed and the film industry matured alcohol's portrayal was reflected in the times prohibition the Great Depression the war years and as social commentary Here is a study of 64 years of alcohol as portrayed in film The author begins with the appearance in 1898 of what is probably the first commercial a 30 second film of men in kilts dancing and the words Scotch Whiskey appearing in the background The final film is 1962's Days of Wine and Roses which addresses alcoholism The author includes a film from each decade those with artistic or historical value those that represent the comedy drama and musical genres and well known pictures such as The Lost Weekend and A Star Is Born The first three chapters cover 1903 to 1939 The remaining chapters follow not a timeline but the growing complexity of the movies A recurring motif is the use of the term white logic a phrase used by writer Jack London in his 1913 memoir John Barleycorn It refers to disillusionment with everyday life brought on by and exacerbated by alcohol An annotated filmography lists the date source and other relevant information about movies in this study

**Dashing to the End** Eric Monder, 2025-05-15 Born Alfred Reginald John Truscott Jones Welsh American actor Ray Milland 1907-1986 appeared in more than 135 theatrical releases between 1929 and 1985 and on radio television and the stage while also becoming a film director Milland's extensive canon across such a period is remarkable especially considering

his lack of formal training his belated start in show business in his late twenties and the fact he only lived to age seventy nine Perhaps best remembered for his Oscar winning performance as the tortured alcoholic in Billy Wilder s The Lost Weekend 1945 or his outstanding collaboration with Alfred Hitchcock in Dial M for Murder 1954 there is much more to Milland s life and career than the few films that elevated him from star to icon Despite his prolific and successful career Dashing to the End The Ray Milland Story is the first comprehensive biography of the star Milland s personal and professional trajectory epitomize quintessential Hollywood lore the British army soldier turned actor who went from unknown struggling bit player to Oscar winning star to aging scandal haunted has been to comeback character actor to present day cult figure Using interviews with Milland s costars and colleagues as well as research from several major archives author Eric Monder brings into sharp relief both the positive and negative aspects of the Hollywood film and television industries and paints a well rounded portrait of this complex man and artist

**Screenwriters** José Guilherme Correa,2016-07-13 Screen writing is a unique literary form Screenplays are like musical scores in that they are intended to be interpreted on the basis of other artists performances rather than serving as finished products for the enjoyment of their readers They are written using technical jargon and tight spare prose to describe set directions Unlike a novella a script focuses on describing the literal visual aspects of the story rather than on its characters internal thoughts In screen writing the aim is to evoke those thoughts and emotions through subtext action and symbolism Prominent Hollywood script doctors include Steve Zaillian William Goldman Robert Towne Mort Nathan Quentin Tarantino etc while many up and coming screenwriters work as ghost writers This book is a modest catalogue of some of the most prominent screenwriters listed from A to Z The good are sometimes bad and they can be even Ugly Many comments herein included were googled in deference to the multiplicity of information available today yet they reflect exactly or almost what I thought An amazing thing today is how anonymous commentators on the Internet rival and even surpass the poor quality of professional media and specialised literature It all comes down to watching the truth 24 times per second to quote Jean Luc Godard s phrase Not to mention that such truth may include sex scenes violence

pedophilia etc We know that a literary masterpiece like Henry James Portrait of a Lady became a film of very poor quality as scripted by Laura Jones We know conversely that a mediocre writer like Mickey Spillane inspired at least one film as remarkable as Kiss Me Deadly thanks to A I Bezzerides script As a former screenwriter Mr Correa must avow that he found the job most gratifying Writing that looks effortless is often hellish to write and revise It was something he did have to slog through but it proved particularly pleasing Editing discussing finishing your work is particularly gratifying Identifying your flaws and working to mitigate them is also gratifying It is a general perception that creative careers are more interesting and fun than others But the privilege of earning money through imagination and creativity is effectively hard won Please comment at will Please disagree at will Be facetious in your remarks but please be neither vicious nor mean spirited The Sunnier Side Charles Jackson, 1995 A posthumous anthology of stories on life in Arcadia a small town in New York State illustrating the advantages and disadvantages of living in a small burg In one story a girl is hounded for having an affair in another a man discovers to his horror that a bum is a relative By the author of The Lost Weekend **Drunks** Christopher Finan, 2017-06-27 Reveals the history of our struggle with alcoholism and the emergence of a search for sobriety that is as old as our nation In Drunks Christopher Finan introduces us to a colorful cast of characters who were integral in America's moral journey to understanding alcoholism There's the remarkable Iroquois leader named Handsome Lake a drunk who stopped drinking and dedicated his life to helping his people achieve sobriety In the early nineteenth century the idealistic and energetic Washingtonians a group of reformed alcoholics led the first national movement to save men like themselves After the Civil War doctors began to recognize that chronic drunkenness is an illness and Dr Leslie Keeley invented a gold cure that was dispensed at more than a hundred clinics around the country But most Americans rejected a scientific explanation of alcoholism A century after the ignominious death of Charles Adams came Carrie Nation The wife of a drunk she destroyed bars with a hatchet in her fury over what alcohol had done to her family Prohibition became the law of the land but nothing could stop the drinking Finan also tells the dramatic story of Bill Wilson and Dr Bob Smith who helped each other stay sober and then created AA which survived its tumultuous early years and finally proved that alcoholics could stay sober for a lifetime This is narrative history at its best entertaining and authoritative an important portrait of one of America's great liberation movements and essential reading for anyone involved in the addiction community On Sunset Boulevard Ed Sikov, 2017-06-14 On Sunset Boulevard originally published in 1998 describes the life of acclaimed filmmaker Billy Wilder 1906-2002 director of such classics as Sunset Boulevard The Lost Weekend The Seven Year Itch and Sabrina This definitive biography takes the reader on a fast paced journey from Billy Wilder's birth outside of Krakow in 1906 to Vienna where he grew up to Berlin where he moved as a young man while establishing himself as a journalist and screenwriter and triumphantly to Hollywood where he became as successful a director as there ever was Double Indemnity Sunset Boulevard Some Like It Hot and The Apartment Wilder's cinematic legacy is unparalleled Not only did he direct these classics and

twenty one other films he co wrote all of his own screenplays Volatile cynical hilarious and driven Wilder arrived in Hollywood an all but penniless refugee who spoke no English Ten years later he was calling his own shots and he stayed on top of the game for the next three decades Wilder battled with Humphrey Bogart Marilyn Monroe Bing Crosby and Peter Sellers kept close friendships with William Holden Audrey Hepburn Jack Lemmon and Walter Matthau amassed a personal fortune by way of blockbuster films and shrewd investments in art including Picassos Klees and Mir s and won Oscars yet Wilder ever conscious of his thick accent always felt the sting of being an outsider On Sunset Boulevard traces the course of a turbulent but fabulous life both behind the scenes and on the scene from Viennese cafes and Berlin dance halls in the twenties to the Hollywood soundstages of the forties and the on location shoots of the fifties and sixties Crammed with Wilder s own caustic wit On Sunset Boulevard reels out the story of one of cinema s most brilliant and prolific talents Farther and Wilder Blake Bailey,2013 The fascinating biography of the author of The Lost Weekend a writer whose life and work encapsulated what it meant to be an addict and a closeted gay man in mid century America and who is ripe to be rediscovered **Motion Pictures** University of California, Los Angeles.
