Lost In The Shenandoahs:

Shenandoah Summer Scott C. Patchan, 2009-04-01 Jubal A Early's disastrous battles in the Shenandoah Valley ultimately resulted in his ignominious dismissal But Early's lesser known summer campaign of 1864 between his raid on Washington and Phil Sheridan's renowned fall campaign had a significant impact on the political and military landscape of the time By focusing on military tactics and battle history in uncovering the facts and events of these little understood battles Scott C Patchan offers a new perspective on Early's contributions to the Confederate war effort and to Union battle plans and politicking Patchan details the previously unexplored battles at Rutherford's Farm and Kernstown a pinnacle of Confederate operations in the Shenandoah Valley and examines the campaign's influence on President Lincoln's reelection efforts He also provides insights into the personalities careers and roles in Shenandoah of Confederate general John C Breckinridge Union general George Crook and Union colonel James A Mulligan with his fighting Irish brigade from Chicago Finally Patchan reconsiders the ever colorful and controversial Early himself whose importance in the Confederate military pantheon this book at last makes clear The Valley Baseball League: A History of Baseball In the Shenandoah Valley Chaz Weaver, 2014-05-29 Answers to the questions Who hit the most homeruns in a VBL season What is the highest batting average in VBL history Has anyone ever thrown a perfect game What is the record for strikeouts in a game When did the VBL begin Which team won the most VBL championships Which team has won the most VBL games What is the best or worst record in VBL history Which coach won the most VBL championships Histories of All Current and Past Teams All Time League Records Standings for Every Season Valley Baseball League Hall of Fame Song of the Shenandoah Brenda George, 2013-05-23 Jed Buchanan is one of the Blue Ridge mountain people displaced by the formation of the Shenandoah National Park Through a quirk of fate he is offered a job as a farm manager on one of the loveliest farms in the Shenandoah Valley Though he loves the life dire danger lurks in the form of a fanatical old style Ku Klux Klan klavern that has been operating in the rural areas of Northern Virginia Jed falls in love with two very different women the beautiful sultry sophisticate Virginia Chadwick whom he saves from being savaged by a vicious dog This leads to the humble hillbilly giving regular lectures to one of the most powerful groups in Washington DC Then there's lovely spunky Sage Kelly who has left three men at the altar However Jed has good reason to suspect that she and her brother Tom are members of the Ku Klux Klan Sequel to the widely acclaimed *Falling Leaves and Mountain Ashes* this compelling epic novel set in the 1940s and 1950s displays once again what a master storyteller George is History of the Lower Shenandoah Valley Counties of Frederick, Berkeley, Jefferson and Clarke J. E. Norris, 1890 *The Shenandoah Valley Campaign of 1864* Jack H. Lepa, 2003-01-01 A significant part of the Civil War was fought in the Shenandoah Valley of Virginia especially in 1864 Books and articles have been written about the fighting that took place there but they generally cover only a small period of time and focus on a particular battle or campaign This work covers the entire year of 1864 so that readers can clearly see how one event led to

another in the Shenandoah Valley and turned once peaceful garden spots into gory battlefields It tells the stories of the great leaders ordinary men innocent civilians and armies large and small taking part in battles at New Market Chambersburg Winchester Fisher s Hill and Cedar Creek but it primarily tells the stories of the soldiers Union and Confederate who were willing to risk their lives for their beliefs The author has made extensive use of memoirs letters and reports written by the soldiers of both sides who fought in the Shenandoah Valley in 1864 **The Key to the Shenandoah Valley** Edward B. McCaul, Jr.,2023-09-19 During the Civil War the Shenandoah Valley was the scene of 326 engagements many taking place around Winchester The city was occupied and evacuated 72 times and six major battles were fought in the vicinity including First and Second Kernstown and Cedar Creek Geography was a crucial factor in the struggle to control Winchester which was key to controlling Virginia Confederate occupation gave them psychological dominance of the central valley and enabled them to disrupt enemy operations When Union forces prevailed they dictated the tempo of operations in the region The decisive Union capture of the city in 1864 foretold the end of the Confederacy Drawing on the Official Records of the Union and Confederate Armies this book chronicles the strategic battle for the heart of the Shenandoah Valley The United Church of Christ in the Shenandoah Valley H. B. Cavalcanti,2010-08-20 While congregational studies have expanded our understanding of American religion little is known about the local practices of a single denomination at its smallest jurisdiction This book explores how national denominational commitments are affecting the practices of local United Church of Christ congregations inside a single association in the Shenandoah Valley Nationally the UCC defines itself as a united and uniting church in its ecumenical work as multiracial and multicultural in its diversity as accessible to all in welcoming those with disabilities as open and affirming for its LGBT members and as a just peace church in its support of social justice So how fully have local congregations embraced these commitments Might congregations be more attached to their older identities particularly in areas where the church s predecessors were strongly rooted Or are the national church s commitments being lived out at the grassroots level The book measures congregational life in one of the UCC s oldest and smallest associations Books on congregational studies either focus on a case study of a particular congregation or large scale surveys of U S congregations that explore aggregate data to explain their work This book looks instead at a group of local congregations inside a small judicatory the Shenandoah Association of the United Church of Christ to explain religious life at the grassroots level **Serene of the Shenandoah** L. Irene Chapman,2010-09-08 The author weaves a suspenseful dramatic historical saga of ambition love murder and one family s tragedy and triumph through the latter part of the Civil War There are several intriguing twists in the plot cowardice obsession hypocrisy from dual simulation that surprise and challenge the family of their leader caught up in their two worlds of avarice rapacity insatiable greed and lust While the war ravages on amid the stormy personal lives of the people while we see those depredations only add to the mayhem we are reminded there are no pristine priests Still this book is very inspiring to anyone whose Christian ideals are beyond compromise **Struggle for**

the Shenandoah Gary W. Gallagher,1991 The product of a symposium held in 1989 this book of essays provides an introduction to the cardinal aspects of an important American Civil War campaign The authors disagree on the relative importance of certain operations or leaders in the valley **The Shenandoah Valley Campaigns, Omnibus E-book** Gary W. down and along a narrow mountain spine but with millions of guests annually Shenandoah National Park is a heavily visited destination This book was conceived to make the backcountry majesty of Shenandoah more accessible to visitors This easy access reference type guide presents a variety of hikes from which to choose The majority of the hikes steer you toward the most scenic areas giving you the opportunity to enjoy your time on the trail instead of behind someone's car Most hikes seek solitude to maximize your Shenandoah experience However as the subtitle of this book suggests there are some must do hikes that are popular Consequently a few hikes traverse popular and potentially crowded areas Each hike has a best times that will help you manage the trails to your advantage Day hiking is the best and most popular way to break into the Shenandoah wilderness But for those with the inclination to see the mountain cycle from day to night and back again many hikes in this book can be used by backpackers as well Backpackers must follow park backcountry camping regulations and practice leave no trace wilderness use etiquette Backpackers can capture the changing moods of the mountains as day turns to night as weather cycles with the sun as the permanent park residents go about their business of surviving and reproducing With the Top Trails winning formula of easy to follow maps for every hike trail feature charts feature icons don't get lost trail milestones and GPS waypoints readers can easily identify the right trail for their interests abilities and available time
