Strange Brew Victor Kennedy,2013-07-26 Strange Brew is the title of a 1967 hit song from Cream s album Disraeli Gears which featured the most psychedelic cover art ever The song is what postmodern scholars influenced by Fredric Jameson would call a pastiche its lyrics combine images of love witchcraft and getting stoned with a note for note rendition of Albert King s traditional blues song Oh Pretty Woman The song s title is a metaphor suggesting that words and music can mix to become a kind of magic potion Strange Brew Metaphors of Magic and Science in Rock Music traces the evolution of psychedelic music from its roots in rock and roll and the blues to its influence on popular music today shows how metaphor is used to create the effects of songs and their lyrics and explores how words and music came together as both a cause and effect of the cultural revolution of the nineteen sixties Three Minutes in Poland Glenn Kurtz,2014-11-18 The author s discovery of a brief 16mm film shot by his grandfather during a 1938 visit to his soon to be extinguished birthplace in Poland unfolds like a detective story Now the basis for the documentary Three Minutes A Lengthening Named one of the best books of 2014 by NPR The New Yorker and The Boston Globe When Glenn Kurtz stumbles upon an old family film in his parents closet in Florida he has no inkling of its historical significance or of the impact it will have on his life The film shot long ago by his grandfather on a sightseeing trip to Europe includes shaky footage of Paris and the Swiss Alps with someone inevitably waving at the camera Astonishingly David Kurtz also captured on color 16mm film the only known moving images of the thriving predominantly Jewish town of Nasielsk Poland shortly before the community s destruction Blissfully unaware of the catastrophe that lay just ahead he just happened to visit his birthplace in 1938 a year before the Nazi occupation Of the town s three thousand Jewish inhabitants fewer than one hundred would survive Glenn Kurtz quickly recognizes the brief footage as a crucial link in a lost history The longer I spent with my grandfather s film he writes the richer and more fragmentary its images became Every image every face was a mystery that might be solved Soon he is swept up in a remarkable journey to learn everything he can about these people After restoring the film which had shrunk and propelled across the United States to Canada England Poland and Israel and into archives basements cemeteries and even an irrigation ditch at an abandoned Luftwaffe airfield as he looks for shards of Nasielsk s Jewish history One day Kurtz hears from a young woman who had watched the video on the Holocaust Museum s website As the camera panned across the faces of children she recognized her grandfather as a thirteen year old boy Moszek Tuchendler of Nasielsk was now eighty six year old Maurice Chandler of Florida and when Kurtz meets him the lost history of Nasielsk comes into view Chandler s laser sharp recollections create a

bridge between two worlds and he helps Kurtz eventually locate six more survivors including a ninety six year old woman who also appears in the film standing next to the man she would later marry Painstakingly assembled from interviews photographs documents and artifacts *Three Minutes in Poland* tells the rich harrowing and surprisingly intertwined stories of these seven survivors and their Polish hometown I began to catch fleeting glimpses of the living town Kurtz writes a cruelly narrow sample of its relationships contradictions scandals Originally a travel souvenir David Kurtz's home movie became the most important record of a vibrant town on the brink of extinction From this brief film Glenn Kurtz creates a poignant yet unsentimental exploration of memory loss and improbable survival a monument to a lost world [The Publishers Weekly](#), 1972
