The present Source Book documents his works, many of which reflect his Communist sympathies and the many arrangements of music by other composers. A wealth of detail is provided, including printed scores, CD recordings, bibliographical material, and manuscript scores and their locations, the majority of which have been deposited recently in the British Library by the Bush family. A chronology of the composer's life draws on many sources, including letters and scrapbooks. **Grieg and His Music** Henry T. Every entry offers description, publisher, number of pages, performance time, style, and characteristics and level of difficulty.
