insurrectionists which eventually numbered over fifty moved systematically from plantation to plantation in Southampton County. Most of the rebels were executed along with countless other African Americans who were suspected often without cause of participating in the conspiracy. Nat Turner though eluded capture for over two months. He hid in the Dismal Swamp area and was discovered accidentally by a hunter on October 30. He surrendered peacefully. *Nat Turner and Slave Life on a Southern Plantation* Katie Kelley Schmid, 2013-07-15. The story of Nat Turner and the slave rebellion he led are brought to life in this book. Drawn in by the graphic format even reluctant readers will be interested in learning about history. Also includes an introduction, biographical sketches of main characters and a timeline.
