Natalia Comes To America:

Natalia Comes to America Melissa Lowell, 1997 Russian figure skater Natalia Cherkas has dreamed all her life of skating in America and now her dream has come true **Real Queer America** Samantha Allen, 2019-03-05 LAMBDA LITERARY AWARD FINALIST A transgender reporter's powerful profoundly moving narrative tour through the surprisingly vibrant queer communities sprouting up in red states New York Times Book Review offering a vision of a stronger more humane America Ten years ago Samantha Allen was a suit and tie wearing Mormon missionary Now she's a GLAAD Award winning journalist happily married to another woman A lot in her life has changed but what hasn't changed is her deep love of Red State America and of queer people who stay in so called flyover country rather than moving to the liberal coasts In **Real Queer America** Allen takes us on a cross country road trip stretching all the way from Provo Utah to the Rio Grande Valley to the Bible Belt to the Deep South Her motto for the trip Something gay every day Making pit stops at drag shows political rallies and hubs of queer life across the heartland she introduces us to scores of extraordinary LGBT people working for change from the first openly transgender mayor in Texas history to the manager of the only queer night club in Bloomington Indiana and many more Capturing profound cultural shifts underway in unexpected places and revealing a national network of chosen family fighting for a better world **Real Queer America** is a treasure trove of uplifting stories and a much needed source of hope and inspiration in these divided times **American Poly** Christopher M. Gleason, 2024 Drawing on personal journals and letters underground newsletters and alternative publications this first history of polyamory reconstructs its intellectual foundations over a century and demonstrates its unique blend of conservative political thought and countercultural spiritualism **There Is No Place for Us** Brian Goldstone, 2025-03-25 Through the unforgettable stories of five Atlanta families this landmark work of journalism exposes a new and troubling trend the dramatic rise of the working homeless in cities across America Read this extraordinary book If you're lucky you'll be changed **Adrian Nicole LeBlanc** author of **Random Family** The working homeless In a country where hard work and determination are supposed to lead to success there is something scandalous about this phrase But skyrocketing rents low wages and a lack of tenant rights have produced a startling phenomenon People with full time jobs cannot keep a roof over their head especially in America's booming cities where rapid growth is leading to catastrophic displacement These families are being forced into homelessness not by a failing economy but a thriving one In this gripping and deeply reported book Brian Goldstone plunges readers into the lives of five Atlanta families struggling to remain housed in a gentrifying increasingly unequal city Maurice and Natalia make a fresh start in the country's Black Mecca after being priced out of DC Kara dreams of starting her own cleaning business while mopping floors at a public hospital Britt scores a coveted housing voucher Michelle is in school to become a social worker Celeste toils at her warehouse job while undergoing treatment for ovarian cancer Each of them aspires to provide a decent life for their children and each of them one by one joins the ranks of the nation's working homeless Through

intimate novelistic portraits Goldstone reveals the human cost of this crisis following parents and their kids as they go to sleep in cars or in squalid extended stay hotel rooms and head out to their jobs and schools the next morning These are the nation's hidden homeless omitted from official statistics and proof that overflowing shelters and street encampments are only the most visible manifestation of a far more pervasive problem By turns heartbreaking and urgent There Is No Place for Us illuminates the true magnitude causes and consequences of the new American homelessness and shows that it won't be solved until housing is treated as a fundamental human right
