Natasha And Other Stories:

Natasha David Bezmozgis, 2004-06-09 The stories in this collection capture the immigrant experience with serious wit while evoking boyhood and youth and the battle for selfhood in a passionately loving Jewish family Natasha and Other Stories, 2015 Natasha and Other Stories Proof David Bezmozgis, 2004-08-01 **Bookclub-in-a-Box** Marilyn Herbert, 2006-09-01 Natasha and Other Stories is a delightful and moving compilation of short stories by the award winning author David Bezmozgis The stories are fashioned after his own experiences as a Russian Jewish immigrant to Toronto Canada from Riga Latvia Bezmozgis tells seven stories of himself as a seven year old emigre from childhood through adolescence and into adulthood marking the usual maturational developments along the way Bookclub in a Box explores each story individually and together as Bezmozgis explores his Russian and Jewish roots his culture and his emotional and religious faith Every Bookclub in a Box discussion guide includes complete coverage of the themes and symbols writing style and interesting background information on the novel and the author This guide includes a look at how and why Bezmozgis has stepped so firmly and confidently onto the international literary stage with his very first offering **The Old House and Other Stories** Fyodor Sologub, 1916 Sologub is a pseudonym the author's real name is Feodor Kuzmich Teternikov He was born in 1863 He completed a scholastic course at Petrograd His first published story appeared in the periodical Severny Viestnik in 1894 but it was not until about a dozen years later that he came into his fame which he has since then further enhanced This is all the biographical knowledge we have of a living novelist whose place in Russian literature is secure beyond all question the scantiness of our knowledge is all the more amazing when we consider that the author is over fifty and that his complete works are in their twentieth volume These include almost every possible form of literary expression the fairy tale the poem the play the essay the novel and the short story Sologub's place as a poet is hardly less assured than his place as a novelist Chain and Other Stories John Omar Larnell Adams, 2015-02-11 The book Chain and Other Stories contains nine stories The first story Chain is about two federal agents who go undercover in Anchorage Alaska with two NYC detectives to investigate whether or not an oil mogul is using kidnapped kids to make weapons sold throughout the United States if so stop him The next story Gradill is about an FBI agent who is investigating a case in Chicago where a bioterrorist is using SARS and Anthrax to poison or sicken CEOs of biochemical companies and local politicians who are giving them leeway to get funding and do research The last of the first stories is Shatter Blue Magica story dealing with a young man who is an assassin who leaves a person alive he was supposed to kill now he is only having to kill the person before he kills him and the lady he loves The second batch of stories starts with Shatter Blue Magic 2 which is about the assassin from the first story having to kill his younger brother and sister in law who have both been assigned to kill him his wife son and employers Web is the sequel to Chain where the two federal agents from the first story go undercover in Phoenix Arizona with two Phoenix detectives to investigate and stop two nightclub owners in Phoenix from kidnapping teenage girls and selling them to

the adult entertainment industry to work as adult film stars Gradill 2 is where the FBI agent from the first story is going undercover in Chicago to investigate a local domestic terrorist group and stop them from wrecking havoc in Chicago The third batch of stories is Gradill 3 where the FBI agent from the two previous stories goes undercover with her sister to investigate a growing local domestic terrorist group who is causing trouble in Chicago and to stop them The Last Call for Shatter Blue Magic picks up where the second story left off healing his wounds from his encounter with his brother and sister in law the assassin takes one last job where he must go around the world killing criminal organizations corrupt policemen crooked politicians and terrorists or he and his family and employers will be killed Link is the last story in the Chain series where the two federal agents must go to Honolulu Hawaii with two Honolulu detectives to go undercover at a local sweatshop to investigate and stop a local rich woman and her friends from using children from Asia and America to work in her sweatshop making clothes that end up in department stores

The Gipsies, and Other Stories Helen Shaw, 1978

A Soothsayer's Prophecy and Other Stories Mahesh Kulkarni, Nikhil Dambal, 2016-05-06 A man curious about his future goes to an astrologer The astrologer prophesies that his wife will meet with an accident Destiny decides to test whether the astrologer will remain true to his craft even though it entails ruin Will the astrologer pass the test A sculptor creates a very beautiful statue The statue is infected with the praise hurled upon it Is beauty a source of inspiration or cause of destruction Or are creation and destruction the two great imposters There is theft in the house of a businessman An engineering student confesses to the police yet the investigation starts There is a dilapidated medieval fort where poltergeist phenomena are reported Six friends visit the fort some out of curiosity and some out of compulsion What happens inside the fort will haunt the ghosts for eternity Stories that are uninhibited by the constraints of grammar by the considerations of syntactic propriety by the rigidities of morals and messages is a dream destination We believe that a story belongs more to a reader than its writer We have tried our best to refrain ourselves from force feeding the reader with matters that are too peripheral to matter in spite of the many temptations to do so and have made naive attempts to act as

facilitators and allow the reader to paint his own environs and at times draw his own conclusions This book is more a sincere than a scholarly attempt to do this *Sounds of a New Generation* Deborah Wallrabenstein, 2017-10-15 This book offers insight into the approaches of a new generation of Jewish American writers Whether they reimagine their ancestors shtetl life or invent their own kind of Jewishness they have a common curiosity in what makes them Jewish Is it because most of them are third generation Americans who don't worry about assimilation as their parents generation did If so how does the writing of recent Jewish immigrants from the former Soviet Union fit into the picture Unlike Irving Howe predicted in 1977 Jewish American literature did not fade after immigration It always finds new paths drawing from the vast scope of Jewish life in America
