Sketches and Studies (Annotated) Nathaniel Hawthorne, 2016-03-31 The author of this memoir being so little of a politician that he scarcely feels entitled to call himself a member of any party would not voluntarily have undertaken the work here offered to the public Neither can he flatter himself that he has been remarkably successful in the performance of his task viewing it in the light of a political biography and as a representation of the principles and acts of a public man intended to operate upon the minds of multitudes during a presidential canvass This species of writing is too remote from his customary occupations and he may add from his tastes to be very satisfactorily done without more time and practice than he would be willing to expend for such a purpose If this little biography have any value it is probably of another kind as the narrative of one who knew the individual of whom he treats at a period of life when character could be read with undoubting

accuracy and who consequently in judging of the motives of his subsequent conduct has an advantage over much more competent observers whose knowledge of the man may have commenced at a later date Nor can it be considered improper at least the author will never feel it so although some foolish delicacy be sacrificed in the undertaking that when a friend dear to him almost from boyish days stands up before his country misrepresented by indiscriminate abuse on the one hand and by aimless praise on the other he should be sketched by one who has had opportunities of knowing him well and who is certainly inclined to tell the truth It is perhaps right to say that while this biography is so far sanctioned by General Pierce as it comprises a generally correct narrative of the principal events of his life the author does not understand him as thereby necessarily indorsing all the sentiments put forth by himself in the progress of the work These are the author's own speculations upon the facts before him and may or may not be in accordance with the ideas of the individual whose life he writes That individual's opinions however so far as it is necessary to know them may be read in his straightforward and consistent deeds with more certainty than those of almost any other man now before the public The author while collecting his materials has received liberal aid from all manner of people Whigs and Democrats congressmen astute lawyers grim old generals of militia and gallant young officers of the Mexican war most of whom however he must needs say have rather abounded in eulogy of General Pierce than in such anecdotal matter as is calculated for a biography Among the gentlemen to whom he is substantially indebted he would mention Hon C G Atherton Hon S H Ayer Hon Joseph Hall Chief Justice Gilchrist Isaac O Barnes Esq Col T J Whipple and Mr C J Smith He has likewise derived much assistance from an able and accurate sketch that originally appeared in the Boston Post and was drawn up as he believes by the junior editor of that journal CONCORD MASS August 27 1852 *Tales, Sketches, and Other Papers* Nathaniel Hawthorne, 1883 This compilation offers Hawthorne's tales sketches and other papers that were not included in any other publication The first group of short pieces embraced in this volume belongs to Hawthorne's earlier period excepting Browne's Folly which was addressed to the author's cousin Mr Richard Manning of Salem after the return from Europe The Biographical Sketches that follow next in the order of contents appear here as the result of a gleaning from old magazines which was made after Hawthorne's death Contents Tales and Sketches Sketches From Memory Fragments From The Journal Of A Solitary Man My Visit to Niagara The Antique Ring The Legend Graves and Goblins Dr Bullivant A Book Of Autographs An Old Woman's Tale Time's Portraiture Browne's Folly Biographical Stories Benjamin West Sir Isaac Newton Samuel Johnson Samuel Johnson Oliver Cromwell Benjamin Franklin Benjamin Franklin Queen Christina Biographical Studies Mrs Hutchinson Sir William Phips Sir William Pepperell Thomas Green Fessenden Jonathan Cilley Alice Doane's Appeal Chiefly About War Matters The Life of Franklin Pierce **An Analytical Index to the Works of Nathaniel Hawthorne with a Sketch of His Life** Evangeline M. chapter on the Salem Custom House prefixed to *The Scarlet Letter* The figure of that first ancestor invested by family tradition with a dim and dusky grandeur was present to my boyish imagination as far back as I can remember It still haunts me and induces a sort of home feeling with the past which I scarcely claim in reference to the present phase of the town I seem to have a stronger claim to residence here on account of this grave bearded sable cloaked and steeple crowned progenitor who came so early with his Bible and his sword and trode the unworn street with such a stately port and made so large a figure as a man of war and peace a stronger claim than for myself whose name is seldom heard and my face hardly known He was a soldier legislator judge he was a ruler in the church he had all the Puritanic traits both good and evil He was likewise a bitter persecutor as witness the Quakers who have remembered him in their histories and relate an incident of his hard severity toward a woman of their sect which will last longer it is to be feared than any record of his better deeds though these were many The son of this William was John who bore the title of Colonel and was a judge during the famous witch trials of Salem About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at www.forgottenbooks.com This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works
