Nation In Turmoil Nationalism And Ethnicity In Pakistan 1937 1958:

A Nation in Turmoil Yunas Samad,1995 *Pakistan* Christophe Jaffrelot,2002-04 This account of Pakistan s complicated political mosaic focuses on ethnic tensions within the country the Mohajir movement Pashtun and Baloch nationalisms and the Punjabization of the country Contributors also look at the country s complex position within the South Asian region including its foreign policy and the dialectic between domestic and foreign policy and the role of the army The book raises many thought provoking questions including the definition of Palestinian identity the control of the state and the deeply flawed institution of democracy **The Middle East and South Asia 2020-2022** Elisabeth Yarbakhsh,2021-09-15 The World Today Series The Middle East and South Asia More than a quarter of the world s population live in the Middle East and South Asia yet our knowledge and understanding of the region is often limited to news updates about the latest conflicts and crises This edition of the annually updated volume of the World Today Series provides important insights that take the reader beyond the headlines It offers detailed and up to date information about the politics economies and societies of the twenty four states that make up the region Contemporary events are placed in their historical context through an examination of major civilizations and key historical events This volume introduces major themes that have shaped the region including the struggles of ordinary people to achieve democratic rights the role of oil in shaping society burgeoning environmental threats and the rise and fall of the Islamic State caliphate While there is reason for optimism in regards to the Middle East and South Asia this is tempered by the very real challenges that confront the region The general reader will gain an understanding of these challenges and opportunities through an exploration of current and past developments *The Pakistan Paradox* Christophe Jaffrelot,2016-06-16 The idea of Pakistan stands riddled with tensions Initiated by a small group of select Urdu speaking Muslims who envisioned a unified Islamic state today Pakistan suffers the divisive forces of various separatist movements and religious fundamentalism A small entrenched elite continue to dominate the country s corridors of power and democratic forces and legal institutions remain weak But despite these seemingly insurmountable problems the Islamic Republic of Pakistan continues to endure The Pakistan Paradox is the definitive history of democracy in Pakistan and its survival despite ethnic strife Islamism and deepseated elitism This edition focuses on three kinds of tensions that are as old as Pakistan itself The tension between the unitary definition of the nation inherited from Jinnah and centrifugal ethnic forces between civilians and army officers who are not always in favour of or against democracy and between the Islamists and those who define Islam only as a cultural identity marker Communism in Pakistan Kamran Asdar Ali,2015-05-27 Pakistan today stands at a critical juncture in its short history of existence While much has been written about Pakistan little is known about Communism or left leaning politics in the country post Partition which played a key role in shaping Pakistani politics today Kamran Asdar Ali here presents the first extensive look at Pakistan s communist and working class movement The author critically engages with the history of Pakistan s early years while paying special attention to the rise and fall of the

Communist Party of Pakistan CPP from Partition in 1947 to the aftermath of Bangladeshi independence in 1971 Since its formation in 1947 as a homeland for South Asian Muslims Pakistan has been a configuration of shifting alliances and competing political and social ideologies Pakistan has experienced three military takeovers and is plagued with geopolitical conflict from Kashmir to Baluchistan Waziristan and while these aspects of Pakistan make headlines in order to understand the complexities of these events it is vital to understand the state's relationship throughout history with its divergent political and ethnic voices One dominant feature of the state along with its emphasis on the Islamic nature of its polity has been the non resolution of its ethnic problem while the history of Pakistan is often viewed through the lens of unified Muslim nationalism the author here also explores the history of Pakistan's often tense relationship with its various ethnic groups Baluch Pathan Sindhis Punjabis and Bengalis Shedding light on a vital and little researched aspect of Pakistani history this book shows that military coups Islamic radicalization and terrorist activities do not constitute the sum total of Pakistan's history that it too has had a history that included the activities of communist intellectuals and activists

The History of British Diplomacy in Pakistan Ian Talbot, 2020-12-28 This book is the first account of the British diplomatic mission in Pakistan from its foundation at the end of the Raj in 1947 to the War on Terror Drawing on original documents and interviews with participants this book highlights key events and personalities as well as the influence and perspectives of individual diplomats previously not explored The book demonstrates that the period witnessed immense changes in Britain's standing in the world and in the international history of South Asia to show that Britain maintained a diplomatic influence out of proportion to its economic and military strength The author suggests that Britain's impact stemmed from colonial era ties of influence with bureaucrats politicians and army heads which were sustained by the growth of a Pakistani Diaspora in Britain Additionally the book illustrates that America's relationship with Pakistan was transactional as opposed to Britain's which was based on ties of sentiment as from the mid 1950s the United States was more able than Britain to give Pakistan the financial military and diplomatic support it desired A unique and timely analysis of the British diplomatic mission in Pakistan in the decades after independence this book will be of interest to academics working in the fields of South Asian History and Politics International Relations British and American Diplomacy and Security Studies Cold War Politics and History and Area Studies

The Middle East and South Asia 2023-2024 Ilan Pappé, 2023-09-15 The World Today Series The Middle East and South Asia More than a quarter of the world's population live in the Middle East and South Asia yet our knowledge and understanding of the region is often limited to news updates about the latest conflicts and crises This edition of the annually updated volume of the World Today Series provides important insights that take the reader beyond the headlines It offers detailed and up to date information about the politics economies and societies of the twenty four states that make up the region Contemporary events are placed in their historical context through an examination of major civilizations and key historical events This volume introduces major themes that have shaped the region including the

struggles of ordinary people to achieve democratic rights the role of oil in shaping society burgeoning environmental threats and the rise and fall of the Islamic State caliphate While there is reason for optimism in regards to the Middle East and South Asia this is tempered by the very real challenges that confront the region The general reader will gain an understanding of these challenges and opportunities through an exploration of current and past developments

Pakistan in Regional and Global Politics Rajshree Jetly, 2012-04-27 Pakistan is at currently at the centre of regional and global geo strategic issues as a frontline state in the global war on terrorism It is seeking to project itself as a modern Islamic state that can engage both the Islamic bloc and the western world in the post 9 11 era This book addresses some questions under the broad rubric of International Relations and Security It focuses on four themes Pakistan and global security Pakistan s international relations politics and identity in Pakistan and economic development of Pakistan Leading international experts have contributed articles within the framework of these themes

The Partition Motif in Contemporary Conflicts Smita Tewari Jassal, Eyal Ben-Ari, 2007-01-12 Papers presented at the Conference on Memory and the Partition Motif in Contemporary Conflicts held in July 2005

Sufi Shrines and the Pakistani State Umber Bin Ibad, 2018-12-21 After the creation of Pakistan in 1947 Sufi shrines became highly contested Considered deviant and un Islamic they soon fell under government control as part of a state led strategy to create an official more unified Islamic identity This book the first to address the political history of Sufi shrines in Pakistan explores the various ways in which the postcolonial state went about controlling their activities Of key significance Umber Bin Ibad shows was the West Pakistan Waqf Properties Ordinance a governmental decree issued in 1959 Formed when General Ayub Khan assumed the role of Chief Martial Law Administrator this allowed the state to take over shrines as waqf property According to Islamic law a waqf or charitable endowment had to be used for charitable or religious purposes and the state created a separate Auqaf department to control the finances and activities of all the shrines which were now under a state sponsored waqf system Focusing on the Punjab famous for its large number of shrines the book is based on extensive primary research including newspapers archival sources interviews court records and the official reports of the Auqaf department At a time when Sufi shrines are being increasingly targeted by Islamist extremists who view Sufism as heretical this book sheds light on the shrines contentious historical relationship with the state An original contribution to South Asian Studies the book will also be relevant to scholars of Colonial and Post Colonial History and Sufism Studies
