National Continuing Care Directory Retirement Communities With Nursing Care:

National Continuing Care Directory Ann Trueblood Raper, American Association of Homes for the Aging, 1988 Provides information on the facilities nursing care health services and costs for homes for the aging **National Continuing Care Directory**, 1988 Current Catalog National Library of Medicine (U.S.), 1992 First multi year cumulation covers six years 1965 70 **National Library of Medicine Current Catalog** National Library of Medicine (U.S.), *Continuing to Care* Karen Ann Conner, 2013-08-21 Continuing to Care describes the challenges of an aging America and changing family system Caregiving has always been a primary obligation of the family based on an informal intergenerational contract that specifies who owes what to whom This system of intergenerational reciprocity has been a central feature of American family life and has formed the foundation for successful social programs such as Social Security and Medicare that support older Americans Recent changes in the American family threaten the intergenerational family contract Changing definitions of family increasing divorce and remarriage rates the establishment of blended families and dramatic changes in the age structure and intergenerational composition of the family affect the ability of this important social unit to continue to provide care to its members Change in the American family system raises some difficult personal and social questions What is the obligation of adult children to elderly frail parents Are we expected to provide care ourselves or is supervising care provided by others an acceptable alternative Do the same rules apply in the case of step parents What is a child's obligation to a long absent father Can Americans continue to juggle responsibility for their children with the demands of careers and the needs of aging parents How much longer will we do it And what will society do if we decide to stop These questions need to be addressed as we reexamine our families caregiving role Continuing to Care brings these questions into the public forum for consideration and debate National Continuing Care Directory, 1984 Geographical listing by states and communities of retirement including pre paid long term care Each entry gives descriptive information and tabular information for independent living residential personal care nursing care levels general services and health related services Contains special features index metropolitan area index bibliography of sources for additional information and community index *Health Care Financing Review*, 1988 *Continuing Care Retirement Communities* Sylvia Sherwood, 1997 A continuing care retirement community CCRC or life care community is a residence and nursing care option designed to respond to the needs of elderly persons as they need more supportive services over time Although CCRCs have been in existence for some time little longitudinal research has been conducted on these facilities In Continuing Care Retirement Communities the authors present a multifaceted portrait of CCRCs since the mid 1980s With a review of community organizational and economic status and interviews of over 2 000 CCRC residents the study examines resident profiles resident satisfaction differences among the communities and controlled comparisons with elderly people in other settings The book also analyses and integrates the findings as a whole deriving implications for policy planning and future research This documentation of the

quality of life for CCRC members will be of use to gerontologists educators researchers health policy and finance professionals CCRC managers and federal and state regulatory agencies In the growing field of continuing care retirement communities this is a groundbreaking and significant publication a mini encyclopedia of what is now known about life care communities with all their variation This is an invaluable resource for planning future development and internal programming and for gaining a better understanding of the reach of social research which tries to probe not only the readily popular statistics but the less traceable dimensions of human behaviors and choice taking as more and more citizens begin to consider how to plan for their aging years Robert Morris Gerontology Institute University of Massachusetts

Military Families A. Sue Goodman, 1990 American Medical Association Guide to Talking to Your Doctor American Medical Association, 2007-07-17 The last time you visited your doctor did you hesitate to ask a question and leave without the answer you needed not understand your doctor's explanation of your illness or its treatment wish you could be more in control of your healthcare You can take control The more you know about your healthcare needs and the more actively you work with your doctor the better healthcare you will receive In this concise easy to understand book the American Medical Association the world's most prominent organization of physicians demystifies the relationship between patient and doctor and guides you in building an ongoing dialogue with your healthcare provider Using nontechnical language and a reassuring tone the American Medical Association Guide to Talking to Your Doctor explains What your doctor needs to know about you and what he or she looks for in an examination How to understand a diagnosis and discuss treatment options and goals When and how to ask for a second opinion How to speak for a child or older person in your care How to discuss sensitive subjects such as sexuality drug dependence depression and family violence Your rights and responsibilities as a healthcare consumer Where to go for more help and information Encouraging authoritative and thorough the American Medical Association Guide to Talking to Your Doctor empowers you to communicate better with your doctor so that you can work together to achieve a common goal your good health For more than 150 years the American Medical Association has been the leading group of medical experts in the nation and one of the most respected health related organizations in the world The AMA continues to work to advance the art and science of medicine and to be an advocate for patients and the voice of physicians in the United States
