

History of Guide Dog Month

Dick Van Patten was the inspiration behind National Guide Dog Month. He admired the ability of these dogs to improve the standards of life for those living with blindness or a visual impairment, but he was also aware of the time, energy, and cost that went into training these dogs. He decided to act and raise awareness and monetary support for guide dog schools. Van Patten owned a pet food company that underwrote all costs for the promotion of National Guide Dog Month. The first guide dog fundraiser was in Southern California with the support of the Petco Foundation.
