National Defence Headquarters Centre For Decision:

National Defence Headquarters Douglas Bland, Canada. Department of National Defence. Headquarters, Commission of Inquiry into the Deployment of Canadian Forces to Somalia, 1997 Explores the crucial aspect of civil military relations encompassed in the dynamic between policy making command and administration by focusing on the centre for defence decisions in Canada the National Defence Headquarters Basic concepts concerning civilian control of military forces military command and defence administration are first explained followed by a review of the law and its relation to the Dept of National Defence The following two chapters describe the responsibilities and formal relationships of various decision makers the Minister of National Defence the Chief of Defence Staff and the Deputy Minister the legal aspects of command the operational duties of the Chief of Defence Staff the defence decision making structure and the Defence Headquarters management system The final two chapters review problems with the defence system including overall structures ethics strategy and command and administration along with recommendations for reform of the defence structure

Who Guards the Guardians and How Thomas C. Bruneau, Scott D. Tollefson, 2009-06-03 The continued spread of democracy into the twenty first century has seen two thirds of the almost two hundred independent countries of the world adopting this model In these newer democracies one of the biggest challenges has been to establish the proper balance between the civilian and military sectors A fundamental question of power must be addressed who guards the guardians and how In this volume of essays contributors associated with the Center for Civil Military Relations in Monterey California offer firsthand observations about civil military relations in a broad range of regions including Latin America Africa Asia and Eastern Europe Despite diversity among the consolidating democracies of the world their civil military problems and solutions are similar soldiers and statesmen must achieve a deeper understanding of one another and be motivated to interact in a mutually beneficial way The unifying theme of this collection is the creation and development of the institutions whereby democratically elected civilians achieve and exercise power over those who hold a monopoly on the use of force within a society while ensuring that the state has sufficient and qualified armed forces to defend itself against internal and external aggressors Although these essays address a wide variety of institutions and situations they each stress a necessity for balance between democratic civilian control and military effectiveness

Another Kind of Justice Chris Madsen, 2000 This text provides insights into military justice in Canada the purpose of military law and the level of professionalism within the Canadian military It describes the statutes and regulations that govern Canada's armed forces and the institutions responsible for overseeing military law

"Here Is Hell" Grant Dawson, 2011-11-01 For many Canadians events during the mission to Somalia in the early 1990s remain a stain on our reputation as one of the world's most respected peacekeeping nations Grant Dawson's analysis of political diplomatic and military decision making avoids a narrow focus on the shocking offences of a few Canadian soldiers deftly investigating the broader context of the deployment Dawson draws on interviews with key

participants and documents made available under the Access to Information Act He shows how media pressure government optimism about the United Nations and the Canadian traditions of multilateralism and peacekeeping all helped to determine the level length and tenor of the country's operations in Somalia His findings will undoubtedly play a seminal role in informing scholarly debate about this important period in Canadian diplomacy and military engagement One of the first scholarly examinations of the Somalia operation Here Is Hell will interest military and Canadian historians policy analysts political scientists and those concerned with Canadian foreign defence and diplomatic history It will undoubtedly play a seminal role in informing further scholarly debate on this important period in Canada's military and diplomatic past **The**

Absent Dialogue Anit Mukherjee, 2020 In *The Absent Dialogue* Anit Mukherjee examines the relations between politicians bureaucrats and the military in India and argues that the pattern of civil military relations in India hampers the effectiveness of the Indian military Informed by more than a hundred and fifty interviews with high ranking officials as well as archival material this book sheds new light on both India's political and military history as well as democratic civilian control and military effectiveness more generally *Dark Threats and White Knights* Sherene Razack, 2004-01-01 Barely two weeks later sixteen year old Shidane Abukar Arone is tortured to death Dozens of Canadian soldiers look on or know of the torture

Military Operations and the Mind Stéphanie A.H. Bélanger, Daniel Lagacé-Roy, 2016-06-01 An in depth look at the battlefield of military ethics and soldiers moral injuries and wars within *Historical Dictionary of Somalia* Mohamed Haji Mukhtar, 2003-02-25 Despite advances in modern communication and the proliferation of information there remain areas of the world about which little is known One such place is Somalia The informed public is aware of a political meltdown and consequent chaos there but few comprehend the causes of this tragic crisis This new edition covers Somalia's origin history culture and language as well as current economic and political issues The alphabetical arrangement of this Dictionary with a complete chronology list of acronyms and in depth bibliography provide useful information about the country in a convenient format A vital addition to reference collections supporting undergraduate and graduate programs on Africa and the Middle East international relations and economics a useful fact filled compendium for government and public libraries NGO's and other special libraries *Canada's National Defence: Defence organization* Queen's University (Kingston, Ont.). School of Policy Studies, 1997 Volumes in the Canada's National Defence series present an annotated collection of government statements on defence policy and internal studies and reports prepared by senior military officers defence officials and consultants to governments and ministers from about 1945 to 1997 They trace the history of the ideas that give Canada's defence policy and defence organizations their unique character If there is an enduring Canadian strategy for national defence it is expressed in these papers Volume 2 Defence Organization is a collection of eight documents on the organization of the national defence establishment Covering the period from 1936 to 1990 the papers include Colonel Pope's Memorandum The McGill Reports The Glassco Report Hellyer's Reorganization The Management Review Group The Fyffe

Review The Vance Review and The Little Hunter Study **The Ones We Let Down** Charlotte Duval-Lantoine, 2022-05-15 In 2021 a sexual misconduct scandal struck the Canadian military leading to a profound crisis in leadership While some more recent allegations came to light before the MeToo movement these latest revelations have historical roots in the 1990s an era known to service members as the decade of darkness Due to drastic budget cuts and allegations of serious crimes perpetrated by its members the last decade of the twentieth century was a tumultuous time for the Canadian Armed Forces Amid this period a human rights tribunal ordered the military to open its combat positions to women and reach full gender integration by 1999 Yet by 2021 women made up only 16.3 per cent of personnel women and LGBTQ service members continue to face sexual harassment and abuse at all levels In *The Ones We Let Down* Charlotte Duval Lantoine looks at failed efforts to achieve gender parity during the 1990s She reveals an organization unwilling and unable to change and attitudes held by military leaders that fed a destructive dynamic and cost lives As the military grapples with its failure to address cultural misconduct and change its culture *The Ones We Let Down* reflects on whether the right lessons were learned from the decade of darkness
