

Nationalism vs. Internationalism

- “Foreign policy is how a nation best expresses itself to the world. Our policies as a government, reflecting our beliefs as Canadians, are articulated through the words we speak, the decisions we make and the actions we implement in the name of Canada.”
 - Prime Minister Stephen Harper <http://geo.international.gc.ca/cip-pic/ips/ips-overview2-en.aspx>
- Internationalism promotes belief in the importance of cooperation among countries in order to promote the common good for all countries in both social and economic terms.

Nationalism and Internationalism in the Post-Cold War Era Kjell Goldmann,Ulf Hannerz,Charles Westin,2000 The tension between nationalism and internationalism has been a major feature of world politics since the end of the Cold War Based on a Nobel symposium this collection brings together an international selection of acclaimed authors from a wide variety of academic disciplines The book combines focused case studies and more theoretically based material to examine critically the post Cold War political landscape Subjects covered include changing interpretation of the nation state and nationalism the growing prominence of transnational organisations technological changes in information communication and transport multiculturalism and citizenship ethnicity and religious identity in African Indian Bosnian and Polish nationalism the growing global significance of Islam *Fragments of Political Science on Nationalism and Inter-nationalism* Francis Lieber,1868

Nationalism and internationalism : European and American perspectives Erich Hula,1984 **Nationalism and Internationalism in the Modern World** H. R. Cowie,1979 *Nationalism in Internationalism* Michael Holmes,Kathryn Simpson,2023-01-01 This book interprets the relationship between Ireland and the European Union EU We are coming up to 50 years since Ireland acceded to the EU 2023 and the links between the two are unique and distinctive The volume presents an original interpretation of Irish EU relations and this in turn has implications for a wider understanding of the EU Its aim is to analyse the Irish EU relationship from the idea of two apparently contradictory political ideas internationalism as represented by European integration in this particular instance and nationalism long the dominant value in Irish politics The authors argue that to date the contradictions have been managed with considerable ease leading us to characterise the Irish EU relationship as nationalism within internationalism **Nationalism and Internationalism** Ramsay Muir,1913

Nationalism and Internationalism in Imperial Japan Dick Stegewerns,2005-07-27 Throughout the history of modern Japan there has been a continuous struggle to create an integrated conception of how a politically and or culturally autonomous Japan might relate to a pluralistic and interactive world The aim of this study is to scrutinise nationalist and internationalist rhetoric by means of comparatively constant factors such as personal views of humanity civilisation progress the nation and the outside world and thus to develop new approaches towards the question of the relationship between Japanese nationalism and internationalism This project brings together a group of comparatively young scholars who analyse how different generations of opinion leaders in the Japanese pre war modern era tried to solve what they perceived as the dilemma of nationalism and internationalism *Nationalism and Internationalism Intertwined* Pasi Ihalainen,Antero Holmila,2022-03-11 It is commonplace that the modern world is more international than at any point in human history Yet the sheer profusion of terms for describing politics beyond the nation state including international European global transnational and cosmopolitan among others is but one indication of how conceptually complex this field actually is Taking a

wide view of internationalism s in Europe since the eighteenth century Nationalism and Internationalism Intertwined explores discourses and practices to challenge nation centered histories and trace the entanglements that arise from international cooperation A multidisciplinary group of scholars in history discourse studies and digital humanities asks how internationalism has been experienced understood constructed debated and redefined across different European political cultures as well as related to the wider world
