Nationalism in Asia and Africa Elie Kedourie, 2013-02-01 Published in the year 1974 Nationalism in Asia and Africa is a valuable contribution to the field of Middle Eastern Studies *The Christian Century*, 1928 **Nationalism in Asia and Africa** Elie Kedourie, 1970-07 Published in the year 1974 Nationalism in Asia and Africa is a valuable contribution to the field of Middle Eastern Studies **Problems of Communism**, 1966 **The Jewish Spectator**, 1964 Indian and Foreign Review, 1963 *Understanding Higher Education Internationalization* Georgiana Mihut, Philip G. Altbach, Hans de Wit, 2017-10-10 This volume brings together selected articles focused on higher education internationalization published in University World News UWN and International Higher Education IHE between 2011 and 2016 Researchers policy makers and practitioners alike further the development of higher education internationalization as a field of study through public and ongoing conversations It is news analysis and commentary publications like UWN and IHE that facilitate this dialogue and keep pace with the most up to date developments in the field Together the articles included in this volume alongside the section introductions offer a rich and relevant picture of the dynamic state of higher education internationalization globally While both publications are freely available online this book provides a thematically coherent selection of articles offering an accessible and analytic perspective on the pressing concerns of contemporary higher education internationalization

Egypt Eberhard Kienle, 2021-11-18 Focusing on authoritarian rule unresolved economic challenges and external dependency the volume explains the salient political and economic features of contemporary Egypt against the backdrop of its history since the beginning of the 19th century Presenting a comprehensive account of developments it challenges common assumptions about secularists Islamists and revolutionaries as well as modernization economic reform and political stability Discussing domestic politics economic change and external relations since 1945 the author argues that Egypt continued to draw a degree of strength from sustained state building activities which its pre colonial rulers could pursue in a favourable international environment and the partly related emergence of the country as a focal point of collective identity More consolidated than many other states in the global south Arab and non Arab alike independent Egypt despite changing economic strategies remained a lower middle income country and despite repeated political contestation most recently in the Arab Spring continued to suffer from autocratic rule Such continuity reflects not only the interplay between political forces at home dominated by the military and inconclusive economic policies but also the external constraints under which governments and other actors in the global south have to act Based on numerous primary and secondary sources in various languages including Arabic and years of fieldwork the book is a key resource for scholars of all levels journalists policymakers and diplomats interested in comparative politics and the political economy of the Middle East and Egypt
