

A graduate of the French Army, General de Gaulle is now active in European matters. In 1955, when he was in French Morocco, he suggested to the French government that it should consider the possibility of a French-led coalition of African states. This idea was the first step in the development of the French Community, which was established in 1958.

The University has been the victim of the actions of both nations and we are disappointed in the actions of both. We are disappointed in the government of Israel, which has not been able to protect the lives of its citizens, and we are disappointed in the actions of the United States, which has not been able to protect the lives of its citizens.
