Pijpen En Tabak:

The Pursuit of Pleasure Rudolph Matthee, 2021-05-11 From ancient times to the present day Iranian social political and economic life has been dramatically influenced by psychoactive agents This book looks at the stimulants that as put by a longtime resident of seventeenth century Iran Rapha l du Mans provided Iranians with damagh gave them a kick got them into a good mood By tracing their historical trajectory and the role they played in early modern Iranian society 1500 1900 Rudi Matthee takes a major step in extending contemporary debates on the role of drugs and stimulants in shaping the modern West At once panoramic and richly detailed The Pursuit of Pleasure examines both the intoxicants known since ancient times wine and opiates and the stimulants introduced later tobacco coffee and tea from multiple angles It brings together production commerce and consumption to reveal the forces behind the spread and popularity of these consumables showing how Iranians adapted them to their own needs and tastes and integrated them into their everyday lives Matthee further employs psychoactive substances as a portal for a set of broader issues in Iranian history most notably the tension between religious and secular leadership Faced with reality Iran s Shi i ulama turned a blind eye to drug use as long as it stayed indoors and did not threaten the social order Much of this flexibility remains visible underneath the uncompromising exterior of the current Islamic Republic

The Embarrassment of Riches Simon Schama, 1988 In a brilliantly inventive work bestselling author Simon Schama explores the enigma of 17th century Holland a nation that attained an unprecedented level of affluence yet lived in constant dread of being corrupted by prosperity Drawing on a vast array of period documents and sumptuously reproduced art THE EMBARRASSMENT OF RICHES throbs with life on every page 314 photos illustrations Copyright Libri GmbH All rights reserved

Drugs and Narcotics in History Roy Porter, Mikulas Teich, 1995 A collection of essays exploring the complex history of drugs and narcotics throughout history from ancient Greece to the present day shows that such substances were sought originally as healing agents both within and without the medical profession However the mood and mind altering characteristics of some have led to the widespread abuse and legal controls we see today
