Locuciones Latinas En Materia Juridica Noé Bustamante Bustamante, Noé Bustamante Bustamante, 2012-11. El presente manuscrito es una compilación de diversas Locuciones Latinas en Materia Jurídica. No es una guía de Derecho. De inicio se muestra un capítulo de introducción con lo que se busca explicar la importancia del contenido; se detalla una breve historia romana alusiva a los orígenes de la península italiana, los pueblos que conformaron la península itálica, sobre todo los pueblos que se establecieron en la región del Lazio, centro-sur de Italia, los etruscos, norte-centro de Italia y los colonizadores griegos que se establecieron en el sur de Italia; todos ellos contribuyeron al crecimiento de Roma a partir de su fundación en el siglo VIII a.C. La obra de Rómulo y Remo, la Monarquía, la República, el Imperio, sus emperadores y su ocaso. Como surge el Derecho Romano y el uso del latín en el derecho. Con la explicación breve en cada una de las locuciones y vocablos de las de mayor importancia se busca explicar el sentido de las mismas, es decir, lo que pensaron y quisieron decirnos los antiguos jurisconsultos romanos. De manera general se muestra brevemente la historia romana, la conformación del Derecho y las locuciones con una breve explicación.

Inglés: Glosario Menandra Mosquera, 2012-11-30 This glossary has been prepared in order to leave a record of the Quechua spoken by the people of Huarás and surrounding areas in the mid 20th century Huarás capital of the Region Department of Ancash Peru has a distinct form of Quechua That dialect was endangered due to a massive earthquake on May 31 1970 Tens of thousands of people died and the city was destroyed Many of the survivors left the area Once rebuilt Huarás was repopulated with people new to the area who use Spanish or a different dialect to communicate Since then technological influences such as the Internet also reinforce the use of Spanish to the detriment of the local Quechua Born in Huarás I was raised in a bilingual environment Spanish and Quechua Although I left the area to attend the university I could always feel at home upon returning until that earthquake Since then it seems strange to return to an unfamiliar city due to people language and environment I hope this glossary will help the newer generations better understand not only their grandparents and ancestors but the culture from which they come Language and culture are intimately tied and much more than words is lost when a language dies The Inca Empire Tahuantinsuyo was invaded by Spain in 1532 At that time Quechua was spoken never written throughout the Inca civilization with many dialects Since then the Spanish language has been imposed but in Huarás never did it replace Quechua to the extent that it did in 1970 This glossary contains words several verb forms and phrases It is written with the expectation that it may help to preserve the inherited Quechua so that Huarás may remain bilingual It is written for huarasinos the people of Huarás If others find it useful better yet The glossary is in Quechua To facilitate access to the Quechua indices in Spanish and in English are included M Mosquera
