Illustrations **Living in a Dangerous World** William P. Smith, 2011-10-31 Everyone is afraid of something Fear is part of the human experience of living in a broken fallen world We try to manage our fears but our coping mechanisms impact our faith We hoard and stop praying for provision We stockpile information and forget to seek godly wisdom Yet we continue to live anxious lives William P Smith **The Busy Woman's Pocket Guide to Safety** Carla Thompson, 2011-04-19 The Busy Woman's Pocket Guide to Safety This book is filled with safety tips that teach women how to think safe in everyday situations This book would be a great resource for any organization that is committed to empowering women **Preacher, Can You Hear Us Listening?** Roger E. Van Harn, 2005-02-03 Everyone knows that pulpits are for preaching and pews are for listening to sermons This obvious scenario however masks an essential prerequisite for faithful fruitful preaching namely that preachers listen to God and to their people before they speak Roger Van Harn here puts forth pointed questions that sermon listeners really ask of preachers Why should we listen to sermons Does every sermon need a Bible text How can a sermon be the word of God Do you preach for the church or the world Van Harn grapples with and discusses such questions giving preachers fresh insights into the needs and desires of congregations Preacher Can You Hear Us Listening will foster an ongoing dialogue between pulpit and pew and sharpen listening skills in both directions **Luminescence, Volume 2** C. K. Barrett, Fred Barrett, 2017-08-09 What is found in this series unveils an entirely different side of C K Barrett a side one might never have known about if one had knowledge only of his famous commentaries and monographs Herein lies a goodly selection of Kingsley's sermons preached largely in small and medium sized Methodist churches in the Northeast of England though often elsewhere in England and around the world Fred Barrett was not the scholar his son was but on close inspection one can most definitely see the impact of the father on the son when it came to preaching It seems right to include as many sermons from both of these men as we can in this series One thing sorely lacking in much preaching these days is in depth engagement with both the biblical text and one's tradition and theology The sermons in these volumes demonstrate what such preaching can look like While the first volume presented sermons on the Gospels and Acts this second volume covers the rest of the New Testament and extensive portions of the Old Testament **Pew Rights** Roger E. Van Harn, 1992-12 This highly praised book uniquely looks at the act of preaching from the perspective of those in the pews Drawing on many years of pulpit experience Roger Van Harn guides pastors back to the heart of the preacher's task sound biblical proclamation Back in print in paperback **Fearless Faith** John Fischer, 2002-01-01 Identifying a safety zone of Christian sanctified schools television radio and activism a call to greater action urges Christians to break away from easier practices to reconnect with non believers engage in acts of love and compassion and build a greater dependence on Christ

Original **Youth Culture 101** Walt Mueller, 2008-11-04 CPYU President Walt Mueller's critically acclaimed book Understanding Today's Youth Culture is widely recognized as one of the most thorough and comprehensive overviews of youth culture today. This Gold Medallion Book Award winner is used as a seminal text in colleges, universities, and seminaries around the world but is especially noted for its honest and easy-to-read style. The book approaches youth culture from a distinctively Christian perspective and contains chapters on a variety of topics including music, media, sexuality, materialism, drugs, and alcohol, and spirituality. A great resource for parents, educators, youth workers, and pastors. British Theatre Between the Wars, 1918-1939 Clive Barker, Maggie B. Gale, 2000 This volume initiates a long overdue reassessment of mid-twentieth century British theatre cultures. **Towards a Science of Complex Experiences** Alice Chirico, Andrea Gaggioli, Phoebe C. Ellsworth, 2022-08-03
