Safe Sexual Healing Sunyata Satchitananda, 2019-09-06 Sexual healing has been a clandestine alternative healing modality in the shadows of public awareness. This guidebook seeks to bring sexual healing out of the shadows and inform both healers and those seeking healing about how to conduct sexual healing sessions safely. Safe Sexual Healing goes behind the scenes and reveals how sexual healing works and shares key principles and essential practices needed to provide safety for both clients and healers. It provides essential information to sexual trauma survivors on how to pick a sexual healer and what to expect in sexual healing sessions. Healers gain important insight into the healer-client relationship and learn what to watch out for during sessions to prevent harming their clients. *Contraceptive Technology* Robert Anthony Hatcher, 2007 The leading reference in reproductive health for 30 years with over 2 000 000 copies in print. *Contraceptive Technology* is included on CD ROM with all copies of the book and also available separately as listed below. Skerrett, 2012-09-20 Humans are innately sexual beings so why do we have such a hard time talking about sex? We must shift our attitudes surrounding sexuality and sexual safety toward empowerment to make decisions and take action to ensure sexual safety of individuals, families, and communities. Author Anjella Skerrett, a registered nurse, midwife, and family nurse practitioner who has worked extensively in sexual and reproductive health, offers this guide to help start the discussion. Parents are reluctant to talk honestly and openly about sex with their children; sexually active adults are reluctant to communicate honestly about their sexual history; and teens and adolescents pay the price imposed by this pervasive culture of shame, anxiety, and secrecy. It's time to peel away the embarrassment and start a new conversation. By learning to talk honestly and openly about sex, you gain power over your life as a sexual being and you give power to your children's future sexual safety and happiness. Sex and sexuality are intensely private matters, but there shouldn't be secrets between lovers and there shouldn't be shame when a parent discusses sex with his or her children. Information is power. In *Free to Be Sexually Safe*, you'll find the tools to start conversations about anatomy, safety, myths, and taboos, urban legends, religion, and more. Sex is a natural, healthy part of life. By accepting the challenge to change the way you think and talk about sex by taking full responsibility for your decisions and actions and by extending respect to and expecting respect from your partners, you can change or save lives.
