Maadi Annalise J.K. DeVries, 2021-03-23 A fresh perspective on the global economic influences that shaped modern Egypt through the history of an affluent Cairo suburb Maadi In the early years of the twentieth century a group of Egypt's real estate and transportation moguls embarked on the creation of a new residential establishment south of Cairo The development was to epitomize the latest in community planning merging attributes of town and country to create an idyllic domestic retreat just a short train ride away from the busy city center They called the new community Maadi after the ancient village that had long stood on the eastern bank of the Nile Over the fifty years that followed this new modern Maadi would be associated with what many believed to be the best of modern Egypt spacious villas lush gardens popular athleticism and most of all profitability Maadi The Making and Unmaking of a Cairo Suburb 1878 1962 explores Maadi's foundation and development identifying how foreign economic privileges were integral to fashioning its idyllic qualities While Maadi became home to influential Egyptians including nationalists and royalty it always remained exclusive too exclusive to appeal to the growing number of lower income Egyptians making homes in the capital Annalise DeVries shows how Maadi's history offers a fresh perspective on the global economic influences that shaped modern Egyptian history as they helped configure not only the country's politics but also the social and cultural practices of the well to do Ultimately the means of Maadi's appeal also paved the path for its undoing When foreign tax and legal privileges were abolished Maadi too became untethered from a vision for Egypt's future and instead appeared more and more as a figure of the country's past Ignaz Friedman Allan Evans, 2009-06-29 Allan Evans's groundbreaking biography of Ignaz Friedman gives the reader the behind and the between of the life and career of this extraordinary pianist Friedman's repertory emphasized the major works of Beethoven Schumann Liszt and Brahms but he was perhaps best known for his interpretation of the Chopin mazurkas which by all accounts he played with the same rhythmic nuance as their composer Evans examines Friedman's life as a cultured Jewish musician from Poland his studies in Leipzig and Vienna his marriage to Manya Schidlowsky a Russian countess and relative of Tolstoy and his performing career teaching and retirement in Australia **Saffeyah & Bin Bin** Saffeyah Moyine, 1992
