through mastering the law serving as dean of New York University Law School preaching court reform as president of the American Bar Association and organizing suburban voters before other politicians recognized their importance Hague a remarkably successful sixth grade dropout amassed his power by exploiting people's foibles crushing his rivals accumulating a fortune through extortion subverting the law and taking care of business in his own backyard They were different ethnically culturally and temperamentally but they shared the goals of power Relying upon previously unexamined personal files of Vanderbilt Johnson's engaging chronicle reveals the hatred the lawyer had for the mayor and the lengths Vanderbilt went to in an effort to destroy Hague Battleground New Jersey illustrates the difficulty in adapting government to a changing world and the vital role of independent courts in American society *Merchant Vessels of the United States* ,1978 From 1894 95 1935 36 pt 6 of each volume is issued separately with titles 1894 95 1902 03 Code list of merchant vessels of the United States 1903 04 1935 36 Seagoing vessels of the United States *Catalog of Copyright Entries, Third Series* ,1967 The record of each copyright registration listed in the Catalog includes a description of the work copyrighted and data relating to the copyright claim the name of the copyright claimant as given in the application for registration the copyright date the copyright registration number etc **Merchant Vessels of the United States...** United States.
