Cruising World ,1982-07 Dogfish Memory: Sailing in Search of Old Maine: A Memoir Joseph A. Dane,2011-06-06 An exquisite memoir about lost love and the sustaining grace of the sea T C Boyle The Maine dogfish are gone fished to the brink of extinction Gone too is Linda Jane and with her the love and the subjunctive Maine that they might have shared And what of that fabled Old Maine Is it gone for good Dogfish Memory is the story of the search for an authentic Maine a Maine of the past whether historical or simply imagined and a Maine of the present one experienced by both permanent residents and seasonal ones summerfolk Joseph Dane is both He has worked on commercial fishing boats as a local and he has sailed the coast for years like those who are from away Dogfish Memory tells the story of how his often conflicting Maines are intertwined Authentic Maine is elusive stories and even photographs of a past Maine often contradict the memories of those who have lived through the changes they record Dogfish Memory is thus the story of loss the loss of a Maine recalled and imagined and the loss of the love with which Maine is irrevocably associated *Sailing Years* Kaines Adlard Coles,1981

Sailing and Social Class Alan O'Connor,2024-04-23 This book explores the sociology of sailing and yachting Drawing on original research and employing a theoretical framework based on the work of Pierre Bourdieu the book argues that sailing is still an upper middle class activity that has much to tell us about the wider sociology of leisure and sport The book examines the historical foundations of blue water sailing as established by naval and colonial shipping to trace the roots of contemporary sailing and yachting culture It also examines archives of sailing narratives and cruising guides as well as the children s books of Arthur Ransome arguing that this archival material offers a social rather than a psychological interpretation of the bodily investment in sailing The book uses Bourdieu s concepts of *illusio* an investment of time emotion and body into a worthwhile activity and *habitus* or *lifeworld* alongside contemporary data sets to examine the yacht club as a social institution including why many boats never go out on the water the relationship between yacht clubs and the state and social issues as manifested in yacht clubs such as sexism racism and homophobia Offering a vigorous sociological critique of yachting and sailing this book is fascinating reading for anybody with an interest in the sociology of leisure and sport subcultures social theory or social issues in wider society

Promise Five years and more than 25 000 nautical miles later the family of four returned to the United States and dry land In this memoir author Alex Ellison chronicles his familys adventures on the seas Culled from a detailed daily journal that Ellison began keeping at the onset of the voyage when he was just eight years old *A Star to Sail Her By* reveals his transition from enthusiastic child to capable sailor and reflective young adult He learned two important lessons as they traveled from port to port not everything always works the way it should and change is really the only thing you can count on A Top 5 Book Pick Yachting Magazine *A Star to Sail Her By* is sure to entertain and inspire people who dream of adventure Jennifer Castle editor PBSkids Ellisons earnest genuine style is reminiscent of Robin Grahams in *Dove* In crafting a twenty first century bildungsroman at sea with a tender family spin hell leave you positively envious Richard King PhD professor of literature of the sea Williams College A terrific tale of an unbelievable upbringing Clint Grantberry KLIF Dallas TX In and of itself this memoir of a 25 000nautical mile voyage is informative entertaining and eye opening That a high school student wrote it is astounding Meredith Laitos editor SAIL *Making Men in the Age of Sail* Graeme J. Milne, 2024-06-15 Myths and stereotypes surrounding seafarers in the Age of Sail persist to this day Sailors were celebrated for their courage strength and skill yet condemned for militancy vice and fecklessness As sail gave way to steam sailing ship mariners became nostalgic symbols of maritime prowess and heritage representing a timeless heroic masculinity in an era when the modernizing industrial world was challenging assumptions about gender class work and society Drawing on British seafaring memoirs from the late nineteenth century *Making Men in the Age of Sail* argues that maritime writing moulded the reading public s image of the merchant seaman Authors chronicled their lives as they grew from boy sailors to trained seafarers telling colourful tales of the men they worked with most never doubted that the sailing ship had made them better men Their testimony reinforced and preserved conservative perspectives on seafaring manhood as Britain s economic and technological priorities continued to evolve in the new steamship age Offering a gender analysis of the image of the seafarer *Making Men in the Age of Sail* brings the history of British sailors into wider debates about modernity and masculinity
