Sailor Said:

The Sailor's Magazine ,1867 The Sailor's Magazine, and Naval Journal ,1829 **California** Edan Lepucki,2014-07-08 The world Cal and Frida have always known is gone and they've left the crumbling city of Los Angeles far behind them They now live in a shack in the wilderness working side by side to make their days tolerable in the face of hardship and isolation Mourning a past they can't reclaim they seek solace in each other But the tentative existence they've built for themselves is thrown into doubt when Frida finds out she's pregnant Terrified of the unknown and unsure of their ability to raise a child alone Cal and Frida set out for the nearest settlement a guarded and paranoid community with dark secrets These people can offer them security but Cal and Frida soon realize this community poses dangers of its own In this unfamiliar world where everything and everyone can be perceived as a threat the couple must quickly decide whom to trust A gripping and provocative debut novel by a stunning new talent California imagines a frighteningly realistic near future in which clashes between mankind's dark nature and deep seated resilience force us to question how far we will go to protect the ones we love In her arresting debut novel Edan Lepucki conjures a lush intricate deeply disturbing vision of the future then masterfully exploits its dramatic possibilities Jennifer Egan author of *A Visit from the Goon Squad* **The Pilot, or Sailors' magazine. Griffiths,2001-10 A romantic and tragic story about a sailor who too quickly determines which women in his life are scandalous and which ones are beautiful only to find that he had beautiful women in his life all along In the end he discovers that love is the thing that fuels us and gives us the ability to continue on even when we do wrong **Guess Who's Coming to Kill You** Ellery Queen,2015-08-11 An American spy heads to Tokyo to meet a Soviet defector but things go very wrong in this tale of espionage mystery and murder Fred Wilkinson waits in a Tokyo alley wishing he were James Bond Paunchy in his 50s and oh so tired Wilkinson has nothing in common with that world famous man of mystery except that they are both spies He's already near the end of his career when he goes to Japan to meet with the Soviet defector Krylov and

some of his colleagues back in Washington think he's getting soft. They're right. Wilkinson never sees the killer coming. Three quick jabs to the kidneys and the American spy is done for good. There to pick up the pieces is Peter Brook, a rising star in American intelligence. Brook doesn't give a damn how his martinis are prepared but he's an expert at the fine art of staying alive. It's up to him to bring in the defector unless the defector comes after him. **Keeper of the Moon** Harley Jane Kozak, 2013-03-01 In their new Keeper roles these extraordinary women must balance the fate of the world with their desires. Lust. Elven Keeper Sailor Gryffald's body quivers with it but is it a symptom of the deadly Scarlet Pathogen coursing through her bloodstream or the proximity of shifter Keeper Declan Wainwright? Sailor and Declan have had an uneasy relationship ever since they met and now things are about to get a lot more complicated. A killer is stalking Los Angeles intentionally infecting Elven with the deadly virus and now Sailor and Declan must work to keep the supernatural peace while bringing the murderer to justice. But in doing so these powerful denizens of the Otherworld find themselves straddling a fine line between lust and love. *The Rooster Trapped in the Reptile Room* Barry Gifford, 2011-01-04 Everything I have to say about race and religion and politics is in the novels, declares Barry Gifford. *The Rooster Trapped in the Reptile Room* gathers generous portions of all thirteen novels and novellas as well as first person essays, generous helpings of poetry, journalism and a new interview with the author. The broad contours of an episodic output emerge, a full length view of the freaks and freakish incidents that populate Gifford's unique human comedy. A world as Lula, the author's favorite of all his characters, reflects wild at heart and weird on top. *The Rooster Trapped in the Reptile Room* provides essential reading for anyone after the soul of American writing.
