

Saint Augustines Meter And George Herberts Will

William H. Pahlka

Saint Augustines Meter And George Herberts Will:

Saint Augustine's Meter and George Herbert's Will William H. Pahlka, 1987 **Saint Augustine's Meter and George Herbert's Will** William H. Pahlka, 1987-01-01 **Saint Augustine's Meter and George Herbert's Will** William H. Pahlka, 1987 **A George Herbert Companion (Routledge Revivals)** Robert H. Ray, 2014-05-01 First published in 1995 this title provides the reader with a compendium of useful information for any reader of George Herbert to have at hand It includes key biographical information situates the poetry in its historical and cultural context and where appropriate explains theological concepts and traditions which have a direct bearing on the verse The aim throughout is to enhance understanding and appreciation without being exhaustive A George Herbert Companion will be of most use to general readers and undergraduate students coming to this poetry for the first time and will interest students of Anglican Caroline theology and hymnology George Herbert and Early Modern Musical Culture Simon Jackson, 2022-12-01 Described by one contemporary as the sweet singer of The Temple George Herbert has long been recognised as a lover of music Nevertheless Herbert's own participation in seventeenth century musical culture has yet to be examined in detail This is the first extended critical study to situate Herbert's roles as priest poet and musician in the context of the musico poetic activities of members of his extended family from the song culture surrounding William Herbert and Mary Sidney to the philosophy of his eldest brother Edward Herbert of Cherbury It examines the secular visual music of the Stuart court masque as well as the sacred songs of the church Arguing that Herbert's reading of Augustine helped to shape his musical thought it explores the tension between the abstract ideal of music and its practical performance to articulate the distinctive theological insights Herbert derived from the musical culture of his time **The Poem in Time** Janis Lull, 1990 In tracing George Herbert's revisionary goals as they developed through the two manuscripts of the Church this book offers a new approach to the interpretation of his poems in showing that Herbert intended to encourage his readers to connect the separate lyrics into larger structures of meaning and also to look beyond his poetry to the Bible The Poetry of Immanence Robert Whalen, 2002-01-01 In this extensive study of two of the most celebrated seventeenth century religious poets Robert Whalen examines the role of sacrament in the formation of early modern religious subjectivity For John Donne and George Herbert sacramental topoi became powerful conceptual tools with which to explore both the intersection of spiritual and material aspects of human experience and their competing claims to Christianity Whalen's argument builds upon his central idea of sacramental Puritanism or the effort to cultivate a Calvinist sense of interiority through a fully ceremonial apparatus and thereby to reconcile the potentially disparate imperatives of sacrament and devotion Unique in its combination of current historiography and informed analysis its attention to the sacramental features of Donne's secular lyrics and its advancement of sacramental thought as an important element of Renaissance English culture The Poetry of Immanence illuminates a crucial dimension of the work of two major Stuart writers In his comprehensive critical readings Whalen offers a substantial contribution to the

increasing study of religious themes and devotion in the literature of the early modern period **Augustine and Literature** Robert Peter Kennedy, Kim Paffenroth, John Doody, 2006-01-01 The influence of Christianity on literature has been great throughout history as has been the influence of the great Christian Augustine Augustine and Literature explores Augustine's influence on literature from the Middle Ages to the present day and discusses the implications of expressing Augustine's religious themes both in literature and in more directly theological works **The Subtext of Form in the English Renaissance** S. K. Heninger, 1994 During the sixteenth century in England the logocentrism of the Middle Ages was confronted by a materialism that heralded the modern world With remarkable tenacity in music poetry and painting the orthodox aesthetic persisted as formal features which served as nonverbal signs and provided a subtext of form In opposition however a radical aesthetic emerged to accommodate the new attention to physical nature The growing force of materialism occasioned a fundamental rethinking of what an artifact might represent and how that representation might be achieved This book explores the ontological and epistemological issues that poststructuralist thought raises about that shift in our cultural history In doing so it charts a course for Renaissance studies now in disarray that avoids the old positivism while not succumbing to the new nihilism **Poetic Revelations** Mark S. Burrows, Jean Ward, Małgorzata Grzegorzewska, 2016-08-12 This book explores the much debated relation of language and bodily experience i e the flesh considering in particular how poetry functions as revelatory discourse and thus relates to the formal horizon of theological inquiry The central thematic focus is around a phenomenology of the flesh as that which connects us with the world being the site of perception and feeling joy and suffering and of life itself in all its vulnerability The voices represented in this collection reflect interdisciplinary methods of interpretation and broadly ecumenical sensibilities focusing attention on such matters as the revelatory nature of language in general and poetic language in particular the function of poetry in society the question of Incarnation and its relation to language and the poetic arts the kenosis of the Word and human embodiment in relation to the word enfleshed in poetry

Uncover the mysteries within Crafted by is enigmatic creation, Discover the Intrigue in **Saint Augustines Meter And George Herberts Will** . This downloadable ebook, shrouded in suspense, is available in a PDF format (Download in PDF: *). Dive into a world of uncertainty and anticipation.
