The Lady Saint Clare (of Assisi),2006 Provides new translations of Clare s writings and related primary sources as well as previously unpublished documents **The life and legend of the Lady Saint Clare** Thomas (of Celano),1910

Studying the Life of Saint Clare of Assisi William Hugo, OFM Cap.,Joanne Schatzlein, OSF,2019-07-15 This one of a kind resource helps readers discover St Clare through a series of crisp chapters that first teach them about the sources for St Clare s life and writings and then apply that knowledge to manageable topics from her life The book provides also an important introduction to feminine spirituality and religious life options for Medieval women This workbook has been successful with high school graduates and Ph Ds It works for anyone who wants to do a guided study of the life of St Clare of Assisi using primary sources Those benefiting from this unique approach include Franciscans of all kinds especially those in formation programs students of medieval or female spirituality historians of religious life women and men working in Franciscan ministries former pilgrims who have visited Assisi and anyone wanting to learn how different people in the history of the church responded to its changing circumstances Studying the Life of St Clare helps readers understand the Franciscan intuition in ways that move beyond St Francis of Assisi This workbook is most profitably used in conjunction with *Clare of Assisi Early Documents* **Light of Assisi** Margaret Carney,2021-04-13 For centuries St Clare of Assisi has been a lesser known saint simply because she was overshadowed by the giant that is St Francis This biography not only tells the story of their intertwined lives but more importantly highlights the extraordinary contributions Clare made to the Franciscan world following Francis s death This book is her story from birth until death in 1253 Sr Margaret Carney captures who this medieval woman was and interprets it in a way modern readers will understand It provides answers to all the questions about why we knew so little about St Clare but have overflowing information about St Francis Clare offers readers two valuable lessons firstly the significant importance that women and particularly this extraordinary woman played in the Franciscan story Secondly it is that Clare s importance stems from the fact that she the recipient of a gift from the Spirit of the Lord had her own charisma that made her special She is in fact one of the most remarkable and influential saints from medieval Christianity European experts in early Franciscan history have tirelessly worked on the preservation and at extending our knowledge of Saint Clare of Assisi Yet it wasn t until the last 50 years that the English speaking world became familiar with her because the materials just were not readily available Thankfully a number of biographical studies and related documents translations of her writings and the clearer understanding of poetry art music and theatrical offerings at the time she was alive paint a more accurate picture and enrich the story of this fascinating and influential woman *Saint Clare of Assisi* ,1988 **The Writings of Clare of Assisi** Saint Clare (of Assisi),2011 **The life of Saint Clare** Thomas (of Celano),1910 **Saint Clare of Assisi** Ernest Gilliat-Smith,1914 *Clare of Assisi* Wendy Murray,2020-09-22 Clare of Assisi is generally known as the female friend of Saint Francis of Assisi and for centuries her legacy has remained obscured

by his shadow Yet Clare's life and story ought to shine in its own light and on its own terms her name after all means light She is a figure of true heroism tenacity beatitude and grit who plotted her improbable course in the context of the raucous and explosive period of the Middle Ages Much went wrong for Clare after the day when as a teen she fled the home of her noble and wealthy family to follow Francis in a life of poverty No one would have begrudged her if when the trials had become onerous she had decided simply to go home Yet she stayed the course even after Francis had died She pulled from the fire of her trials embers that would become her crown In this new book Wendy Murray digs deeply into Clare's decision to abandon rank and wealth for allegiance to Christ and in no small way Francis and explores the circumstances which later on tested Clare's devotion Clare's curious and vivid spiritual vision galvanized her ability to persevere amid difficult circumstances and enabled her to stay her course and lay claim to a legacy that shines brightly among the host of medieval saints

Saint Clare of Assisi Bret Thoman, Bret Thoman Ofs, 2017-07-25 Just as with his stirring narrative of the life of St Francis St Francis of Assisi Passion Poverty docile and obedient she stood up to her aristocratic family and later princes of the Church in following the path upon which God had set her frail and vulnerable she caused Saracen invaders to turn tail and run merely by prostrating herself before the Blessed Sacrament and though not learned in either theology or canon law she became the first woman to write a Rule for a new religious community St Clare truly was a light from the cloister not only for her era but for all time Meet her as never before in these pages and in what is sure to be a profoundly spiritual reading experience let her light shine upon you
