Saint More Or Less A Novel:

A Saint, More Or Less Henry Grunwald,2005-04-12 Henry Grunwald makes sixteenth century France under King Henry IV come vividly alive in *A Saint More or Less* as he explores through the story of two women the still timely subject of how politics power passions and religious belief can intersect with explosive results **The Story of More** Hope

Jahren,2020-03-03 The essential pocket primer on climate change that will leave an indelible impact on everyone who reads it Jahren asks the central question of our time how can we learn to live on a finite planet Elizabeth Kolbert New York Times bestselling author of *The Sixth Extinction* The voice that science has been waiting for Nature Hope Jahren is an award winning scientist a brilliant writer a passionate teacher and one of the seven billion people with whom we share this earth In *The Story of More* she illuminates the link between human habits and our imperiled planet In concise highly readable chapters she takes us through the science behind the key inventions from electric power to large scale farming to automobiles that even as they help us release greenhouse gases into the atmosphere like never before She explains the current and projected consequences of global warming from superstorms to rising sea levels and the actions that we all can take to fight back At once an explainer on the mechanisms of global change and a lively personal narrative given to us in Jahren's inimitable voice *The Story of More* is a superb account of the deadly struggle between humanity and what may prove the only life bearing planet within ten light years E O Wilson **Jane Austen: Six Novels and their Methods**

Kazantzakis, Volume 2 Peter Bien,2010-07-01 Putting Greek writer Nikos Kazantzakis's vast output into the context of his lifelong spiritual quest and the turbulent politics of twentieth century Greece Peter Bien argues that Kazantzakis was a deeply flawed genius not always artistically successful but a remarkable figure by any standard This is the second and final volume of Bien's definitive and monumental biography of Kazantzakis 1883 1957 It covers his life after 1938 the period in which he wrote *Zorba the Greek* and *The Last Temptation of Christ* the novels that brought him his greatest fame A demonically productive novelist poet playwright travel writer autobiographer and translator Kazantzakis was one of the most important Greek writers of the twentieth century and the only one to achieve international recognition as a novelist But Kazantzakis's writings were just one aspect of an obsessive struggle with religious political and intellectual problems In the 1940s and 1950s a period that included the Greek civil war and its aftermath Kazantzakis continued this engagement with undiminished energy despite every obstacle producing in his final years novels that have become world classics **The Novels and Tales of the Renowned John Boccaccio** Giovanni Boccaccio,1684 **Disarming the Nation** Elizabeth Young,1999-12-15 In a study that will radically shift our understanding of Civil War literature Elizabeth Young shows that American women writers have been profoundly influenced by the Civil War and that in turn their works have contributed powerfully to conceptions of the war and its aftermath Offering fascinating reassessments of works by white writers such as

Harriet Beecher Stowe Louisa May Alcott and Margaret Mitchell and African American writers including Elizabeth Keckley Frances Harper and Margaret Walker Young also highlights crucial but lesser known texts such as the memoirs of women who masqueraded as soldiers In each case she explores the interdependence of gender with issues of race sexuality region and nation Combining literary analysis cultural history and feminist theory *Disarming the Nation* argues that the Civil War functioned in women s writings to connect female bodies with the body politic Women writers used the idea of civil war as a metaphor to represent struggles between and within women including struggles against the cultural prescriptions of civility At the same time these writers also reimagined the nation itself foregrounding women in their visions of America at war and in peace In a substantial afterword Young shows how contemporary black and white women including those who crossdress in Civil War reenactments continue to reshape the meanings of the war in ways startlingly similar to their nineteenth century counterparts Learned witty and accessible *Disarming the Nation* provides fresh and compelling perspectives on the Civil War women s writing and the many unresolved civil wars within American culture today **"The Covers of this Book are Too Far Apart"** Gerald Guinness,1999 Verzameling boekrecencies over Caribische literatuur die Gerald Guinness tussen 1977 en 1998 schreef voor de krant San Juan star The Eclectic Magazine of Foreign Literature, Science, and Art ,1863
