A Champion of the Church, St. Peter Canisius, S.J. William Reany, 1931 For three centuries Canisius was regarded as the master of the Catholics of Germany and in the vernacular knowing Canisius and keeping the Christian truth were synonymous propositions Pope Leo XIII Among the Doctors of the Church one of the least known in spite of his importance for Catholic life today is Peter Canisius one of the first Jesuits Canisius lived in an age of upheaval confusion wide distrust of the hierarchy and warfare between Christian princes Through his learning zeal holiness and zeal he more than anyone else preserved the Catholic faith in German and Switzerland His voluminous writings though nearly unknown today would take up numerous shelves his catechisms have been praised by Popes for centuries This is the story of an ordinary man called upon by God to work among the great men of his age such as Philip Neri Ignatius of Loyola Charles Borromeo Pius V Francis de Sales and countless others The power of Reany's biography is that it is simple to read while at the same time interesting and enlightening About the Mediatrix Press Edition This is not a facsimile reprint it has been freshly OCR'd from the 1931 original and dutifully edited and corrected to the original Mediatrix Press is devoted to bringing works back in print for the modern audience which have fallen by the wayside

The Reform of Christian Doctrine in the Catechisms of Peter Canisius Thomas Flowers, S.J., 2023-07-03 The catechisms of Peter Canisius reveal the contours of the struggle within the Catholic Church to reframe Christian identity in response to the Protestant Reformation Canisius published his first catechism in 1555 and

immediately achieved phenomenal publishing success Yet his catechisms received neither endorsement nor approbation from Rome Canisius's catechesis proposed a confident vision of Christian identity grounded in the practice of Catholic piety The Roman Curia increasingly conceived of catechesis as a defensive bulwark against Protestant assault Although Canisius's catechisms often appear in scholarship as representatives of a combative post Reformation style of defending Catholic orthodoxy the combat in which they actually engaged was internal to the Catholic Church over how to reframe post Reformation Catholic identity *Saint Peter Canisius* James Brodrick (s.j.),1963 **St. Peter Canisius** Jonathan Stevens,2024-03-21 If you are searching for spiritual enlightenment and timeless wisdom St Peter Canisius Medic of the Church is the perfect guide for your journey Dive into the captivating life of St Peter Canisius a revered saint whose unwavering faith and dedication to the Catholic Church continue to inspire believers worldwide Through meticulous research and engaging storytelling this book reveals the profound insights and transformative teachings of St Peter Canisius inviting readers to explore the depths of their faith and spirituality Authored by Jonathan Stevens a respected theologian and devoted Catholic scholar this book is the culmination of years of dedicated research and study Drawing from his extensive knowledge of Church history and spirituality Stevens offers readers a compelling and insightful portrayal of St Peter Canisius's life and legacy With eloquent prose and profound insights Stevens illuminates the enduring relevance of Canisius's teachings in today's world inspiring readers to embrace their faith with renewed zeal and devotion Discover the spiritual riches of St Peter Canisius and embark on a journey of faith that will enrich your soul and deepen your relationship with God
