THE PATRON SAINT OF IRELAND

Saint Patrick The Irish Saint

J. B. Bury

Saint Patrick The Irish Saint:

Who was Saint Patrick? E. A. Thompson, 1999 Those who want to know what manner of man Patrick was something about the Roman world in which he originated and the problems he faced among the Irish will find this book helpful and satisfactory Patrick is allowed to emerge from his own accounts And what an impressive figure he was TABLET Thompson has presented Patrician scholars with some intriguing new hypotheses in a field where hypotheses abound These have the virtue of relying solely on the only reliable source bearing on Patrick namely his own writings HISTORY Everyone knows of St Patrick but what do we know about him Simply that it was he who converted the Irish to Christianity The strange fact is that for two hundred years or so after his death although his name was remembered with respect everything else about him was forgotten E A Thompson pieces together the story of his life drawing his evidence from the only real clues that exist Patrick s own writings not from the later Lives He reveals him as coming from a well to do nominally Christian family in Britain being captured by Irish raiders and forced into slavery in Co Mayo converting to a most earnest Christianity and eventually escaping from Ireland to the fulfilment of his calling As a bishop he is shown to have been a man of profound originality and his writings his Confession and his Letter to Coroticus further display his character It is no surprise that a host of legends became attached to his name and the biography is completed with a look at some of those early legends

Saint Patrick, the Irish Saint Ruth Roquittie, 1981 An easy to read biography of Ireland s patron saint **Saint Patrick Retold** Roy Flechner, 2021-03-02 Saint Patrick Retold draws on recent research to offer a fresh assessment of Patrick s travails and achievements This is the first biography in nearly fifty years to explore Patrick s career against the background of historical events in late antique Britain and Ireland **Ireland's Saint** J. B. Bury, 2009-02-01 Explore Patrick s place in history the spread of Christianity beyond the Roman Empire how Patrick first came to Ireland the influence of the earlier Palladius on Patrick s work political and social conditions at that time and the spiritual battles with the Druids This 21st century edition now includes notes from other biographers mystics historians and storytellers of Ireland The ideal place to begin any exploration of a much loved but little known saint Bury proves to be more than a mere dry historian he turns out to be a fine storyteller as well and his accounts of Patrick s spiritual duels with Druid priests for the heart and mind of the Irish king are quite gripping History Book Club Editor writer Sweeney gives Bury s 1905 biography of the legendary St Patrick a greater contemporary context in this meticulously researched and presented work Bury wrote what Sweeney calls the ideal modern biography of Patrick Sweeney assembles and rearranges material from Bury s original work and incorporates more of Patrick s own words from his Confession and Letter against Coroticus Sweeney s light edits to Bury s text clarify exactly what Patrick did in Ireland noting that although he did convert some pagan kingdoms he also was responsible for organizing Christians who were already there and connecting the island with the church of the Roman Empire

Saint Patrick Marian Broderick, 2019-03-11 An engaging and rich exploration of Saint Patrick and his extraordinary

influence on the world Forced into slavery at the age of fifteen Patrick overcame all hardship to fulfil his calling to bring the people of Ireland into the light of God's word He carried out his mission of conversion and care at a crucial time of change as Christianity spread across Romanised Europe and harnessed existing social structures and belief systems in Pagan Ireland Patrick met high kings and mythical heroes Celtic gods and goddesses lowly farmers and loyal servants and he left lasting marks upon the Irish landscape and way of life He was humble courageous and resourceful and was the first of Ireland's saints to write down his experiences Thus began the cult of Saint Patrick galvanised over 1500 years of devotion and scholarship and culminating recently in the cheerful greening of the world's most famous landmarks Drawing from recorded histories tall tales from all four provinces and beautiful illustrations this is a light hearted look at the global phenomenon of Saint Patrick his life and his legacy the facts and the fiction of his incredible journey from slave to international saint

The Life of St. Patrick and His Place in History J. B. Bury, 2023-12-03 In *The Life of St Patrick and His Place in History* J B Bury offers a scholarly exploration of Ireland's patron saint meticulously tracing the historical and legendary threads that define his life Bury employs a critical analysis of both ecclesiastical texts and contemporary sources weaving a narrative that skillfully balances the spiritual with the historical His prose reflects a clarity and precision typical of early 20th century scholarship emphasizing not only Patrick's missionary work but also the sociopolitical landscape of 5th century Ireland that shaped his actions and legacy J B Bury known for his erudition and commitment to historical accuracy was a prominent historian who contributed significantly to our understanding of antiquity and early medieval Europe His academic background and keen interest in the intersection of history and myth undoubtedly informed his research on St Patrick as he sought to disentangle fact from legend in a narrative that has been steeped in folklore Bury's findings have become foundational for later studies on the subject showing his dedication to uncovering truth through rigorous scholarship This book is an essential read for anyone interested in the historical roots of Irish identity and the evolution of religious thought in early medieval Europe Bury's thorough investigation not only presents a biography of St Patrick but also offers critical insights into the historical processes that shaped Christianity in Ireland Ideal for historians theologians and lay readers alike it serves as a cornerstone for understanding the cultural legacy of one of Christianity's most revered figures

The Confession of Saint Patrick Saint Patrick, 2013-01-22 Contrary to what many people believe *The Confession of Saint Patrick* is not an autobiography There are some autobiographical elements contained within but it's more of a long letter written towards the end of his life in defense of a personal attack made against him by those in a position of power and authority The Confession is so steeped in theology and scripture that even in modern times Patrick's intelligence and education show through Reading his Confession it becomes quite clear that no matter what else you might say about St Patrick's intelligence or authority he was definitely a person rooted in the Bible St Patrick's Confession will prove a good read for Christians and non believers alike Any good man's regrets or his handle on his faith should give anyone of conscience pause for personal

reflection No man save the one leaves this life innocent of sin and St Patrick's Confession should endear him to everyone
