The Life and Writings of St. Peter. By the Author of "Essays on the Church," Etc. [R. B. Seeley.] With Illustrations Saint Peter (the Apostle),1873 [Saint Peter](#) Stephen J. Binz,2015-08-13

If St Peter had moved in business or political circles he would have been forgotten millennia ago In most areas of life those who make major mistakes are cast out left to languish in their failure But Peter who made more than one major mistake while following Jesus has been highly revered within the Church since the days when Jesus walked with the disciples In fact in holding Peter up so high we can easily miss the essential lesson his life teaches us that when flawed people experience forgiveness through Jesus they are freed and empowered to be faithful followers of Christ In Saint Peter Flawed Forgiven and Faithful biblical scholar Stephen Binz takes readers on a pilgrimage from Galilee to Rome from the spot where Peter first dropped his nets to follow Jesus to the place where he gave his life out of love for his Lord Through sound scholarship first hand experiences at places of pilgrimage and spiritual reflection Binz helps us embrace the reality that God works through broken human beings to accomplish truly beautiful things Ultimately Saint Peter Flawed Forgiven and Faithful reminds us that the papacy from Peter to the present day has always been filled by imperfect people and mysteriously and wonderfully that s exactly the type of person through whom God advances the Church
