review your scriptural knowledge of the first pope and to take a journey through the early history of the Church Learn the real reason for St Peter s coming to Rome and why he might have later been exiled from the city Learn why the Babylon the saint mentions in his First Epistle refers to Rome Learn who was the first writer who dared to deny that St Peter was ever at that city The author painstakingly proves through ancient histories and the Church Fathers of the early centuries that St Peter s residence in the Eternal City cannot be refuted Doubts about his presence there first arose in the 14th century and in spite of the proofs contained in Fr De Ligny s thoroughly researched work controversy about St Peter s residence in Rome persists to this day in some quarters Peter F. B. Meyer,2017-11 St Peter was a crucial figure in early Christianity as one of the Twelve Apostles of Jesus Christ he oversaw the formal establishment of the early church and became the first Bishop of Rome Peter s formative years were spent in the profession of fishing Working as a fisherman it was here that the purpose of his disciple status was unveiled Peter was to become a fisher of men helping others to believe in the Lord These and other events are told in this biography which investigates the ways in which Peter sought to enlighten and catch souls of men that they be set on a righteous path to God and the Holy Spirit Peter s humble beginnings soon transform through his pursuit of God he accompanies Jesus as one of his twelve apostles and is listed foremost among them in all sources His spiritual guidance and devotion to the mission of Christ has great bearing on the foundation of the Christian church Peter also witnessed the Resurrection of Jesus first hand and delivered some of the first sermons following this revelatory event Peter is considered by tradition to be the first Bishop of Rome It is assumed that he traveled there and began his ministry although opinions differ most Christian denominations in the modern day consider his time in Rome to have been of immense importance to the early church while Catholicism s custom is that Peter is the first pope Throughout his account of Saint Peter s many deeds F B Meyer is certain to imbue the text with the emotions and atmosphere of the era This striving for tone confers depth to his biography while his quotation of sources is impeccable *Peter: Fisherman, Disciple, Apostle; A Biblical Biography* F. B. Meyer,2018-08-08 Saint Peter was a crucial figure in early Christianity as one of the Twelve Apostles of Jesus Christ he oversaw the formal establishment of the early church and became the first Bishop of Rome Peter s formative years were spent as a fisherman It was here that the purpose of his disciple status was unveiled Peter was to become a fisher of men helping others believe in the Lord These and other events are told in this biography which investigates the ways in which Peter sought to enlighten and catch souls of men that they be set on a righteous path to God and the Holy Spirit Peter s humble beginnings soon transform through his pursuit of God he accompanies Jesus as one of his twelve apostles and is listed foremost among them in all sources His spiritual guidance and devotion to the mission of Christ has great bearing on the foundation of the Christian church Peter also witnessed the Resurrection of Jesus first hand and delivered some of the first sermons following this revelatory event **Saint Peter** United Library,2023-04-30 Saint Peter is one of the most prominent figures in Christianity being one of the Twelve Apostles and a leader of the early Church He appears in all four

New Testament gospels as well as Acts of the Apostles According to traditional Christian teachings Saint Peter died under Emperor Nero's rule by crucifixion in Rome Many ancient churches venerate him as a major saint and founder of both the Church at Antioch and Rome with Jesus promising him a special position within His church The New Testament shows his influence through preaching and eyewitness accounts while he also appears in several apocryphal works such as Acts of Peter and Gospel of Peter Although Protestant historians suggest it was not until later that local congregations were led by bishops Catholic and Orthodox teachings believe they were guided by Saint Peter himself before this time period Going further back into history Irenaeus explains how Apostle Paul founded and organized the first Church at Rome together with Saint Peter who remains to be an important figure for many people today due to his significant impact on Christianity's growth throughout history Order your copy of this biography now *Saint Peter* Francis Underhill (Bishop of Bath and Wells.),1937
