Saints Guide To Happiness Practical Lessons In The Life Of The Spirit:

The Saints' Guide to Happiness Robert Ellsberg, 2003-11-01 Eloquent and delightfully readable Catholic convert Ellsberg makes the spiritual struggles of sanctified men and women accessible and relevant Publishers Weekly In All Saints published in 1997 and already a classic of its kind Robert Ellsberg told the stories of 365 holy people with great vividness and eloquence In The Saints Guide to Happiness Ellsberg looks to the saints to answer the questions What is happiness and how might we find it Countless books answer these questions in terms of personal growth career success physical fitness and the like The Saints Guide to Happiness proposes instead that happiness consists in a grasp of the deepest dimension of our humanity which characterizes holy people past and present The book offers a series of lessons in the life of the spirit the struggle to feel alive in a frenzied society the search for meaningful work real friendship and enduring love the encounter with suffering and death and the yearning to grasp the ultimate significance of our lives In these lessons our guides are the saints historical figures like Augustine Francis of Assisi and Teresa of Avila and moderns such as Dorothy Day Flannery O Connor and Henri J Nouwen In the course of the book the figures familiar from stained glass windows come to seem exemplars not just of holy piety but of life in abundance the quality in which happiness and holiness converge If you've been thirsting for a more authentic life this is your book In these pages are living templates which spark recognition Sister Helen Prejean CSJ author of *Dead Man Walking*

The Saints' Guide to Happiness Robert Ellsberg, 2005-09-27 What is happiness and how can I find it may be one of the most frequently asked questions there is Perhaps that's because it is so hard to experience lasting happiness In The Saints Guide to Happiness Robert Ellsberg suggests that some of the best people to show us are holy men and women throughout history from St Augustine to Flannery O Connor Thomas Merton to St Theresa of Avila and Mother Theresa These people weren't saints because of the way they died or their visions or wondrous deeds They were saints because of their extraordinary capacity for goodness and love which in the end makes us happy
