Saladin And The Fall Of Jerusalem:

Saladin and the Fall of the Kingdom of Jerusalem Stanley Lane-Poole,1898 Saladin and the Fall of Jerusalem Stanley Lane-Poole,2018-01-30 SALADIN is one of the few Oriental Personages who need no introduction to English readers Sir Walter Scott has performed that friendly office with the warmth and insight of appreciative genius It was Saladin s good fortune to attract the notice not only of the great romancer but also of King Richard and to this accident he partly owes the result that instead of remaining a dry historical expression under the Arabic style of el Melik en Nasir Salah eddin Yusuf ibn Ayyub he has become by the abbreviated name of Saladin that familiar and amiable companion which is called a household word The idea it is true is vague and romantic Saladin and the Fall of Jerusalem Stanley Lane-Poole,2016 **Saladin and the Fall of the Kingdom of Jerusalem, by Stanley Lane-Poole,...** Stanley Lane Poole,1898 Saladin and the Fall of Jerusalem Geoffrey Regan,1987-01-01 **Saladin and the Fall of the Kingdom of Jerusalem** Stanley Lane-Poole,2017-09-27 Saladin the first sultan of Egypt and Syria is an iconic figure in Middle Eastern history Stanley Lane Poole s acclaimed biography Saladin and the Fall of Jerusalem is a complete study of the life of this noted leader his youth rise through twelfth century Middle Eastern politics career as a military commander and the conquest of Egypt and Syria and his intriguing clashes with Richard the Lionheart Throughout his life Saladin established himself as a military commander of genius a man of honour and an intrepid statesman cementing his place in the annals of Middle Eastern history The result of a lifetime of study by eminent historian Lane Poole Saladin and the Fall of Jerusalem benefits from the rich and colourful chronicles of Arab and Moslem historians providing us with a unique insight into the life and deeds of this fascinating figure Stanley Lane Poole has rendered valuable service in his different works by presenting various phases of Oriental history and life in such a way as to interest even those to whom such subjects are ordinarily a sealed book The American Historical Review Stanley Edward Lane Poole 18 December 1854 was a British orientalist and archaeologist Born in London England from 1874 to 1892 he worked in the British Museum and after that in Egypt researching on Egyptian archaeology From 1897 to 1904 he had a chair as Professor of Arabic studies at Dublin University He died in 1931 **A History of the Crusades** Kenneth Meyer Setton,1969 The six volumes of A History of the Crusades will stand as the definitive history of the Crusades spanning five centuries encompassing Jewish Moslem and Christian perspectives and containing a wealth of information and analysis of the history politics economics and culture of the medieval world Saladin and the Fall of the Kingdom of Jerusalem Stanley Lane-Poole,2013-09 This historic book may have numerous typos and missing text Purchasers can usually download a free scanned copy of the original book without typos from the publisher Not indexed Not illustrated 1901 edition Excerpt of enemies on his northern flank Before this no invasion of the Christian territory could safely be undertaken without posting an army of observation to guard against an attack from the north but now he could advance with confidence He had also more troops at his back and could not only command the full strength of his Syrian and Egyptian levies but also count

upon large contingents from the Mesopotamian provinces We shall see how at the siege of Acre the great barons of these parts came to reinforce the Moslem army and how the princes of Zengy s line the lords of Mosil Sinjar Jezira Irbil and Harran and the Kurds from beyond the Tigris swelled the general muster with their vassals and retainers This was indeed the most important result of his northern campaigns He had opened up new recruiting grounds and without this added strength he could never have met and resisted the fresh forces from Europe brought against him in the Third Crusade The Holy War had long been a fixed resolve with Saladin but the immediate provocation came as usual from Reginald of Chatillon The lord of Karak had won for himself an unenviable reputation as a breaker of treaties It was his delight to seize peaceful caravans of merchants and pilgrims on their way into Syria from Egypt or Mekka He had done this in 1179 in a time of truce A caravan encamped trustfully beneath his castle and he took every man woman and beast with goods to the value of two hundred thousand gold pieces and when King Baldwin remonstrated and sent an embassy to make him restore the stolen spoil and captives he flouted the royal messengers In 1182 he repeated this performance also in a time of truce aussi com il avoit autrefois fait en trives
