The Testimony of the Spirit R. Douglas Geivett, Paul K. Moser, 2017 The theme of the testimony of the Spirit of God has received inadequate attention in recent publications. This book corrects that inadequacy with new essays from an interdisciplinary perspective including theology, Biblical studies, philosophy of religion, ethics, psychology, aesthetics, and apologetics. [Why Christian Faith Still Makes Sense \(Acadia Studies in Bible and Theology\)](#) C. Stephen

Evans, 2015-05-12 In recent years the Christian faith has been challenged by skeptics including the New Atheists who claim that belief in God is simply not reasonable. Here prominent Christian philosopher C. Stephen Evans offers a fresh, contemporary and nuanced response. He makes the case for belief in a personal God through an exploration of natural signs which open our minds to theistic possibilities and foster belief in the Christian revelation. Evans then discusses why God's self-revelation is both authoritative and authentic. This sophisticated yet accessible book provides a clear account of the evidence for Christian faith, concluding that it still makes sense to believe.

Jews for Salaam Imam Warith-Deen Umar, 2008-03-11 Jews for Salaam, a book of hope, a blueprint for world peace. Christians, Jews, and Muslims have common roots. This book focuses on the unique position the Jewish people are in to move the world toward peace. Abdullah bin Salaam, a little-known Jewish leader in Arabia at the time of the Prophet Islam, is the centerfold of this writing. Model Jews of Arabia embraced Messenger Muhammad, the last Prophet. The author presents this vital history with Bible, Talmud, Quran, and Hadith to make the case for the Jews for Salaam. The challenge to embrace this truth is welcoming.

Fathi, 2023-12-22 **Key Themes for the Study of Islam** Jamal J. Elias, 2014-10-01 Key Themes for the Study of Islam examines the central themes and concepts indispensable to an informed understanding of Islamic religion and society. From Gender and History to Prayer and Prophecy, each authoritative chapter focuses on a single aspect of the religion and presents a critical discussion written by a world expert in that field. Exposing as false the idea that Islam and Muslims are incomprehensible to Western culture, this book will become the first choice for students and experts in religion from disparate fields who wish to know how Islam relates to vital concepts in religion and society today.

The Ethics of War and Peace Terry Nardin, 2020-12-08 A superb introduction to the ethical aspects of war and peace, this collection of tightly integrated essays explores the reasons for waging war and for fighting with restraint as formulated in a diversity of ethical traditions, religious and secular. Beginning with the classic debate between political realism and natural law, this book seeks to expand the conversation by bringing in the voices of Judaism, Islam, Christian pacifism, and contemporary feminism. In

so doing it addresses a set of questions How do the adherents to each viewpoint understand the ideas of war and peace What attitudes toward war and peace are reflected in these understandings What grounds for war if any are recognized within each perspective What constraints apply to the conduct of war Can these constraints be set aside in situations of extremity Each contributor responds to this set of questions on behalf of the ethical perspective he or she is presenting The concluding chapters compare and contrast the perspectives presented without seeking to adjudicate their differences Because of its inclusive objective comparative and dialogic approach the book serves as a valuable resource for scholars journalists policymakers and anyone else who wants to acquire a better understanding of the range of moral viewpoints that shape current discussion of war and peace In addition to the editor the contributors are Joseph Boyle Michael G Cartwright Jean Bethke Elshtain John Finnis Sohail H Hashmi Theodore J Koontz David R Mapel Jeff McMahan Richard B Miller Aviezer Ravitzky Bassam Tibi Sarah Tobias and Michael Walzer
