Salesman In Beijing:

Salesman in Beijing Arthur Miller, 1991 In 1983 Arthur Miller was invited to direct *Death of a Salesman* at the Beijing People's Theatre with Chinese actors While there he kept a diary this book tells the story of Miller's time in China and of the paradoxes of directing in a Communist country a tragedy of American capitalism **'Death of a Salesman' in Beijing** Arthur Miller, 2015-10-08 In 1983 Arthur Miller was invited to direct *Death of a Salesman* at the Beijing People's Theatre with Chinese actors This was an entirely new experience for Miller and for the Chinese company most of whom had never even heard of life insurance or installment payments Miller had forty eight days of rehearsals in which to direct his play and while there he kept a diary This book tells the fascinating story of Miller's time in China and the paradoxes of directing a tragedy about American capitalism in a Communist country and features photographs throughout by Inge Morath In this edition Miller's diary is given a contemporary context as the production and process is investigated against the backdrop of twenty first century China and its theatre through a new introduction by Claire Conceison Professor of Theatre Studies at Duke University *New York Magazine*, 1984-05-14 New York magazine was born in 1968 after a run as an insert of the New York Herald Tribune and quickly made a place for itself as the trusted resource for readers across the country With award winning writing and photography covering everything from politics and food to theater and fashion the magazine's consistent mission has been to reflect back to its audience the energy and excitement of the city itself while celebrating New York as both a place and an idea **BULLS IN THE CHINA SHOP** Randall E. Stross, 2012-09-19 *Bulls in the China Shop* is an engagingly anecdotal lucidly written account of the tragicomic cultural and political misadventures that have plagued American commercial ventures over the past two decades in the People's Republic of China When diplomatic tensions between the two countries were eased in the 1970s American businesses rushed to China lured by the world's largest national market As they tried to introduce capitalism to China's socialist society they soon discovered that the rules of business as they understood them did not apply Chinese buyers placed huge orders for which they had no money to pay Chinese marketing bore no relation to capitalist exigencies playing cards were named Maxipuke pu ke poker designer men's underwear Pansy million dollar projects already underway were cancelled without warning The Chinese in turn were astonished by the indiscretion of the Americans who prized directness above all in negotiations and were at once brash and guileless in exposing weaknesses in their own bargaining positions Like Mark Twain's innocents Americans were woefully ignorant of Chinese etiquette and prone to embarrassing gaffes And more the Chinese found the American insistence on lengthy detailed contracts fatuous if not insulting *Bulls in the China Shop* is a fascinating look at the uneasy commerce between American and China between capitalism and socialism and at the cultural political and historical significance of trade between the two nations *East-West Exchange and Late Modernism* Zhaoming Qian, 2017-11-07 In *East West Exchange and Late Modernism* Zhaoming Qian examines the nature and extent of Asian influence on some of the literary

masterpieces of Western late modernism Focusing on the poets William Carlos Williams Marianne Moore and Ezra Pound Qian relates captivating stories about their interactions with Chinese artists and scholars and shows how these cross cultural encounters helped ignite a return to their early experimental modes Qian's sinuous readings of the three modernists last books of verse Williams's *Pictures from Brueghel* 1962 Moore's *Tell Me Tell Me* 1966 and Pound's *Drafts and Fragments of Cantos CX CXVII* 1969 expand our understanding of late modernism by bringing into focus its heightened attention to meaning in space its obsession with imaginative sensibility and its increased respect for harmony between humanity and nature
