Salmagundi No 54 Vs Naipaul:

From Cannibals to Radicals Roger Célestin, 1996 The objective to this study is essentially to arrive at a view of exoticism as a relation between Western Self and exotic Other that is fluctuatingly tenuous or strong depending on the narrating subject's position vis a vis a point of departure and return that I have alternately called Home Center and audience

Tropic Crucible Ranjit Chatterjee, Colin Nicholson, 1984 V. S. Naipaul (Routledge Revivals) Peter Hughes, 2014-08-01 First published in 1988 Peter Hughes explores the work of V S Naipaul and the interplay of fictional and non-fictional patterns in what is his obsessive vision of human life Hughes shows how Naipaul's narratives pair off histories and novels travel writing and psycho biography reinforcing one another and Naipaul's vision of a world undoing itself a world of disorder and fantasy He includes a reading of Naipaul's texts usually considered highly traditional that shows their innovative side and points out ways that they can be illuminated through modern literary theory A detailed analysis this companion to V S Naipaul's writing will interest students of modern literature and those with an interest in Naipaul's writing more generally

The Sum of No Equation Sabine Freyling, 2008 Starting with the social and psychological side of the person Naipaul one can summarise some reasonably simple discoveries that can be extracted from both his autobiographical pieces and his seemingly fictional books published within a period of more than fifty years Naipaul suggested that the way to approach the author is not through finding out as much as possible about the man and one could easily argue that the idea shall simply be used in conversion One can learn more about the person when taking into account all that has been produced by the author who is part of the person By this means one can extract valuable information about both person and author and thus can easily uncover some mysteries that have been established by the author person to conceal the reality behind a fixed idea that has always played a significant role in Naipaul's life Having studied English Naipaul was aware of all the tools available and of the aims of literary critics and seems to have challenged these established routes for his own sake and to serve his purpose

S. Naipaul** Feroza F. Jussawalla, 1997 This collection brings together interviews from a thirty six year span and reveals a witty sometimes scathing talker with a free ranging curiosity In early interviews mostly given to such fellow writers and colleagues as Derek Walcott and Eric Roach Naipaul is clipped brusque and clearly impatient with interviewers More recent interviews given primarily to journalists rather than literary figures reveal a more mellow Naipaul often warm passionate and forthcoming about his private life *Discharging the Canon* National University of Singapore, 1986 *V.S. Naipaul* Bruce King, 2017-03-14 V S Naipaul is a reader friendly introduction to the writing of one of the most influential contemporary authors and the 2001 Nobel laureate in Literature Bruce King provides a novel by novel analysis of the fiction with attention to structure significance and Naipaul s development as a writer while setting the texts in their autobiographical philosophical social political colonial and postcolonial contexts King shows how Naipaul modified Western and Indian literary traditions for the West Indies and then the wider world to become an international writer whose subject matter includes the Caribbean England India Africa the United States Argentina and contemporary Islam Thoroughly revised and updated the second edition of V S Naipaul now includes an expanded Introduction and discussion of his most recent novels *A Way in the World* and *Half a Life* his Nobel Lecture Naipaul s writings on Islam and a survey of the main criticism by other writers and postcolonial theorists *Clarence Thomas and the Tough Love Crowd* Ronald Suresh Roberts, 1996-10 In recent years black neoconservatism has captured the national imagination Clarence Thomas sits on the Supreme Court Stephen Carter s opinions on topics ranging from religion to the confirmation process are widely quoted The New Republic has written that black neoconservative Thomas Sowell was having a greater influence on the discussion of matters of race and ethnicity than any other writer of the past ten years In this compelling and vividly argued book Ronald Roberts reveals how this attention has turned an eccentricity into a movement Black neoconservatives Roberts believes have no real constituency but as was the case with Clarence Thomas are held up and proclaim themselves as simply and ruthlessly honest as above mere self interest and crude political loyalties They profess a concern for those they criticize claiming to possess an objective truth which sets them apart from their critics in the establishment Left They claim to be outsiders even while sustained by the culture s most powerful institutions As they level attacks at the activist organizations they perceive as moribund every significant argument they advance rests on fervent mantras of harsh truths and simple realities Enlisting the ideal of impartiality as a partisan weapon this *Tough Love Crowd* has elevated the familiar wisdom of Spare the rod and spoil the child to the arena of national politics Turning to their own writings and proclamations Roberts here serves up a devastating critique of such figures as Clarence Thomas Shelby Steele Stephen Carter and V S Naipaul *Tough Love* International Clarence Thomas and the Tough Love Crowd marks the emergence of a provocative and powerful voice on our cultural and political landscape a voice which

Naipaul** Selwyn Reginald Cudjoe,1988 This major reassessment of novelist V S Naipaul s work argues that although Naipaul regards himself as rootless without a past without ancestors his writing is in fact rooted in the literary and historical traditions of the Caribbean and can best be understood in the context of the larger field of postcolonial discourse Covering in chronological order all of Naipaul s books Selwyn R Cudjoe charts the author s development from a position in which the tension between his Eastern and Western visions of the world created classics of world literature A House for Mr Biswas The Mimic Men to his progressive identification with the dominant imperialist ideology and racist preoccupations of the age In a Free State Guerrillas A Bend in the River Among the Believers Cudjoe s analysis is grounded in contemporary literary theory an understanding of Hinduism and a thorough knowledge of West Indian literature and history Back cover **V. S. Naipaul and World Literature** Vijay Mishra,2024-02-08 V S Naipaul is a major and controversial figure in postcolonial and world literature This book provides a challenging and uncompromisingly honest study that engages with history genre theory aesthetics and global literary culture with close reference to Naipaul s published and archival material In his fiction and creative histories the definition of the modern idea of world literature is informed by the importance of an artistic ordering of perception Although often expressing ideas that are prejudicial and morally repugnant there is an honesty in his writings where one finds extraordinary insights into how life is experienced within colonial structures of power These colonial structures provided no abstract unity to the field of literary expression and ignored vernacular cultures The book argues that a universal ideology of the aesthetic transcending time regions and languages provides world literature with a unity which is possible only within a critical universal humanism attuned to heroic readings of texts and cultures **V.S. Naipaul** Chandra B. Joshi,1994 *Ritual Passages and Narrative Structures* Langdon Elsbree,1991 This book explores the homology between ritual passages and narrative structures The ways that rites of passage particularly their liminal stage correspond with narrative structures and the advantages of these correspondences for literary criticism and analysis are the central arguments of this study Drawing on a wide range of examples mainly from 19th and 20th Century English and American literature it concentrates on the middle stage of liminality where the identity themes the implications of choice and the values in conflict emerge most clearly Drawing on recent work in anthropology and the other social sciences it suggests new perspectives for understanding the relationships between rite and story and between art and life *Joseph Conrad and V.S.
