with many people in my lifetime who came from small humble beginnings and made a tremendous life change for themselves and their families Some of us were born in a shack There were no zip codes and no area codes in those days Yet where we were born and where we lived mattered then and matters now Sometimes life presents us with difficulties and hardships From time to time an individual has to look back and ponder from whence he or she has come More importantly no matter what happens in our lives individually or collectively God will be there with us always All we have to do is heed his call and follow him
