Sex Gender And The Politics Of Era A State And The Nation:

Sex, Gender, and the Politics of ERA Donald G. Mathews, Jane Sherron De Hart, 1990 By examining the fate of the ERA in one key state this book brilliantly illuminates the ways in which women have responded to feminism Opponents the authors show made equality for women seem dangerous even for women themselves

Sex, Gender, and the Politics of ERA Donald G. Mathews, Jane Sherron De Hart, 2023 This political study traces the history of the movement for an Equal Rights Amendment to the American Constitution It concentrates on developments in North Carolina one of the states in which it was defeated

Sex, Gender, and the Politics of ERA Donald G. Mathews, Jane S. De Hart, 1992-04-30 Sex Gender and the Politics of ERA is the most profound and sensitive discussion to date of the way in which women responded to feminism Drawing on extensive research and interviews Mathews and De Hart explore the fate of the ERA in North Carolina one of the three states targeted by both sides as essential to ratification to reveal the dynamics that stunned supporters across America The authors insightfully link public discourse and private feelings placing arguments used throughout the nation in the personal contexts of women who pleaded their cases for and against equality Beginning with a study of woman suffrage the book shows how issues of sex gender race and power remained potent weapons on the ERA battlefield The ideas of such vocal opponents as Phyllis Schlafly and Senator Sam Ervin set the perfect stage for mothers to confess their terror at the violation of their daughters in a post ERA world while the prospect of losing ratification to this terror impelled supporters to shed the white gloves of genteel lobbying for the combat boots of political in fighting In the end the efforts of ERA supporters could neither outweigh the symbolic actions of its opponents nor weaken the resistance of those same legislators to further federal guarantees of equality Ultimately opponents succeeded in making equality for women seem dangerous In thus explaining the ERA controversy the authors brilliantly illuminate the many meanings of feminism for the American people

Jesus and John Wayne Kristin Kobes Du Mez, 2020-06-23 NEW YORK TIMES BESTSELLER The paradigm influencing book Christianity Today that is fundamentally transforming our understanding of white evangelicalism in America Jesus and John Wayne is a sweeping

revisionist history of the last seventy five years of white evangelicalism revealing how evangelicals have worked to replace the Jesus of the Gospels with an idol of rugged masculinity and Christian nationalism or in the words of one modern chaplain with a spiritual badass As acclaimed scholar Kristin Du Mez explains the key to understanding this transformation is to recognize the centrality of popular culture in contemporary American evangelicalism Many of today s evangelicals might not be theologically astute but they know their VeggieTales they ve read John Eldredge s Wild at Heart and they learned about purity before they learned about sex and they have a silver ring to prove it Evangelical books films music clothing and merchandise shape the beliefs of millions And evangelical culture is teeming with muscular heroes mythical warriors and rugged soldiers men like Oliver North Ronald Reagan Mel Gibson and the Duck Dynasty clan who assert white masculine power in defense of Christian America Chief among these evangelical legends is John Wayne an icon of a lost time when men were uncowed by political correctness unafraid to tell it like it was and did what needed to be done Challenging the commonly held assumption that the moral majority backed Donald Trump in 2016 and 2020 for purely pragmatic reasons Du Mez reveals that Trump in fact represented the fulfillment rather than the betrayal of white evangelicals most deeply held values patriarchy authoritarian rule aggressive foreign policy fear of Islam ambivalence toward MeToo and opposition to Black Lives Matter and the LGBTQ community A much needed reexamination of perhaps the most influential subculture in this country Jesus and John Wayne shows that far from adhering to biblical principles modern white evangelicals have remade their faith with enduring consequences for all Americans

Divided We Stand Marjorie J. Spruill, 2018-08-28 The fascinating true story of the characters in Hulu s Mrs America and a broader portrait of the two women s movements that spurred an enduring rift between liberals and conservatives The many admirers of Mrs America will find great satisfaction in Divided We Stand a clear compelling and deeply insightful volume The Washington Post One of Smithsonian Magazine s Ten Best History Books of the Year In the early 1970s an ascendant women s rights movement enjoyed strong support from both political parties and considerable success but was soon challenged by a conservative women s movement formed in opposition Tensions between the two would explode in 1977 at the congressionally funded National Women s Conference in Houston Texas As Bella Abzug Gloria Steinem and other feminists endorsed hot button issues such as abortion rights the ERA and gay rights Phyllis Schlafly and Lottie Beth Hobbs rallied with conservative women to protest federally funded feminism and launch a pro family movement Divided We Stand reveals how crucial women and women s issues have been in the shaping of today s political culture After the National Women s Conference Democrats continued to back women s rights in cooperation with a more diverse feminist movement while the GOP abandoned its previous support for women s rights and defined itself as the party of family values irrevocably affecting the course of American politics

Right Star Rising Laura Kalman, 2010-06-28 An authoritative history of the right turn in American national politics during the Ford Carter years On the face of it the Ford Carter years seem completely forgettable They were years of weak presidential leadership and national

drift Yet as Laura Kalman shows in this absorbing narrative history the contours of our contemporary politics took shape during these years This was the incubation period for a powerful movement on the right that was to triumph with Ronald Reagan s election in 1980 These years also marked the coming of age of the social movements of the 1960s as their causes moved from the streets to the courts for mediation Supreme Court decisions on affirmative action and the scope of privacy rights had immense social and political impact The nation experienced an energy crisis a sharp economic downturn and a collision with fundamentalism in Iran that set the terms for coming crises Kalman s navigation of this eventful political and social terrain is expert and riveting

Gender and Politics Jane H. Bayes, 2012-07-10 This timely collection offers a fresh look on the impact of gender perspectives in the discipline of political science at the beginning of the 21st century Jane Bayes combats the Eurocentric focus that has characterised both fields and suggests viable alternatives for the future of the disciplines

U.S. History as Women's History Linda K. Kerber, Alice Kessler-Harris, Kathryn Kish Sklar, 1995 This outstanding collection of fifteen original essays represents innovative work by some of the most influential scholars in the field of women s history Covering a broad sweep of history from colonial to contemporary times and ranging over the fields o
