Mike Szilagyi, Miklós Szilágyi, 1993 The Human Energy Field — Chakras Cathy Chapman, Chakras spin take in energy and
release energy They react to what happens in your life They react to your thoughts and emotions They react to the actions
you take You might have a thought that goes through your mind such as Oh how terrible that I forgot this Your third chakra
reacts to that You might have a thought that says I wish I had said this or done that Your second chakra reacts to that
Focused intention occurs when you are in your heart source You might think you only focus intention with your mind but
when you are in your heart source your chakras align From your heart source you connect with the heart chakra and the
third eye through that beam of energy because that beam of energy goes all the way up and all the way down all your
chakras connect Your chakras work to keep you in balance as you perform your intention The beam of energy activates all
the chakras so that they come into alignment and balance with each other If you have a thought while you re in your heart
source let s say you think about what happened yesterday and how you re going to handle things in the future that energy
moves throughout your chakras up and down your pranic tube They come into balance The heart source keeps all your
chakras in balance Take what you need from this book and use it to facilitate healing for yourself and for others However you

histories Women s Bodies Women s Wisdom is contemporary medicine at its best combining new technologies with natural
remedies and the miraculous healing powers within the body itself **All is Well** Louise Hay, Mona Lisa Schulz, MD,
PHD, 2014-05-06 Whenever there is a problem repeat over and over All is well Everything is working out for my highest good
Out of this situation only good will come I am safe In this healing tour de force best selling authors Louise L Hay and Dr
Mona Lisa Schulz have teamed up for an exciting reexamination of the quintessential teachings from Heal Your Body All Is
Well brings together Louise s proven affirmation system with Mona Lisa s knowledge of both medical science and the body s
intuition to create an easy to follow guide for health and well being And for the first time ever they present scientific
evidence showing the undeniable link between the mind and body that makes these healing methods work Bringing focus and
clarity to the effects of emotions on the body All Is Well separates the body into seven distinct groups of organs or emotional

centers that are connected by their relationship to certain emotions Structured around these emotional centers the authors outline common imbalances and probable mental causes for physical illness They also include case studies that show a complete program for healing that draws from all disciplines including both traditional and alternative medicine affirmations nutritional changes and so much more Using the self assessment quiz the holistic health advice and an expanded version of Louise s original affirmation chart you can learn how to heal your mind and body with affirmations and intuition and live a balanced healthy life
