for him to do was to tramp it for a time live out of doors sleep out of doors do nothing but breathe fresh air and walk That doctor was Fate playing his game behind a pair of spectacles and a bumpy forehead He saved Thomas Jefferson Brown all right but he turned him into plain Thomas Jefferson For Thomas Jefferson Brown never got over taking his medicine He kept on tramping He got big and broad and happy Somewhere perhaps in a barn he caught a microbe that made him dislike ordinary work He would set to and help a farmer saw wood all day just for company and grub but you couldn t hire him to go into an office or settle down to anything steady for twenty five dollars a day He had a scientific name for the thing that was in him the wanderlust bug I think he called it and he said it was better than the Chinese lady bugs that the government imports to save California fruit The nearest Thomas Jefferson ever came to going back to Thomas Jefferson Brown was when he took a job at braking on the Southern Pacific That held him for three days less than two weeks
