Returning Fire Linda Rhoutsong,2019-10-23 He had new medicine to help with his anger and we saw Mary our counselor three times a week alone and together Things were going very well and it was not uncommon for him to sleep over In the following weeks everything seemed fine except we were anxious for him to come home Maybe soon Mary said but we should keep doing what we were doing since it was going so well Then our nightmare began What was it that put him over the edge and become the man that he hated so much He would cross over that line and become the man that everyone feared He would not be the Mark we all loved ever again I still believed with all my heart that he would never really hurt me I will never forget his haunting words on the phone earlier He d called nine times begging me to let him come home I said No you re really scaring me Every time he d slam down the phone and threaten me I can t live another day without you and I won t Were my son Jimmy s words about to come true Mark is crazy someday he is going to kill someone My story is as funny as it is tragic It is scarier than I could have ever imagined What I put my children through is unimaginable to me now But I did it I

m not sure I will ever forgive myself for being so selfish and not putting them first I thank God every day that they have been able to forgive me I am one of the lucky ones God has blessed me in so many ways I hope you enjoy my story and that in some way it may help you see the truth in your own relationship and what so easily really can happen **Before Eternity**

Sandielyn,2016-07-29 The book that you are holding right now will lead us to ask our self of our present relationship with our Creator it will give us a spiritual telescope to look further the courage to look back and the path that will take us to the depth of our innermost being It can also be a mirror that will show us of what we are missing and forgotten along the journey of faith and walk with God The story will break us and thirst us to long for the love that only our Heavenly Father can fill It may not answer all our questions and cannot present the whole situation but surely we can relate to the journey shes going to take as one of the traveler in the story This book will make us hold once more the pierce hands of our Savior at times we feel like loosing The story will speak to us of how our Father love us so dearly that He did not only die for us but will come back to take the last remnant of his Holy Kingdom when the great battle comes and before eternity **A Summer's Adventure**
