Long Southern Nights:

Long Southern Nights Heather MacAllister, 2011-07-15 The days were long Kyle Stuart was on the brink of disaster His company was crumbling his employees were planning a mutiny and he was shunned from polite society in Jeffersonville Georgia simply because he was born north of the Mason Dixon line Only one person could help him bright gorgeous my family hates Yankees Maggie Jefferson But the nights were longer For Maggie falling for sexy as sin Kyle Stuart was as good as consorting with the enemy But the steamy nights she spent in Kyle s arms were definitely worth the risk Little did Maggie know that her eccentric relations were planning on saving her from herself and the family fertility curse After all history proved there wasn t a Jefferson woman alive who could resist a blue eyed Yankee *Southern Nights* Amie Louellen, 2016-04-11 The heat is on and we re not just talking about the summer sun Passions flare when these Yankees wander below the Mason Dixon line and end up locking horns with some sweet drawling southerners who know how to get what they want Southern Hospitality When Yankee reporter Roxanne Ackerman s car breaks down on her way to Memphis she somehow winds up as a murder suspect surrendered into the custody of her ultra conservative yet oh so sexy attorney Malcolm B Daniels IV for the weekend He s nearly engaged running for U S Senate and really does not need this gorgeous wild woman in his life right now He just has to show her a little Southern hospitality until Monday morning But the more time they spend together the more sparks fly between them what if when the weekend ends he doesn t want to let her go Southern Comfort A Confederate ghost who haunts a house in Turtle Creek Mississippi once a month is exactly the kind of story Chicago freelance reporter Newland Tran needs to bounce back from a career in disgrace But Natalie Coleman stands in his way with her family responsibilities she doesn t have time to humor a journalist seeking spooks in her house But it turns out there s more to the ghost than just a story and Newland discovers there s more to Natalie than he ever dreamed Can the unlikely pair discover the truth behind the eerie goings on before Newland succumbs to Natalie s brand of southern comfort Sensuality Level Sensual ***Southern Nights*** Barry Gifford, 2019-01-15 God in these Southern Nights is only another possibly deranged near relative cast in the only nonspeaking part in this human drama Everyone else talks and talks And it s the dialogue in these novels that makes them three of Gifford best reminders of the author s seemingly unlimited range and versatility a comic tragic genius for our time Night People Arise for the copious raw violence for the invented religions and gods that make people do things and for all the other horrors that somehow cohabit affably with the genuine pathos and loveliness of the many unforgettable characters and the things these characters say so winningly that we ve never heard anyone say before ***Southern Nights*** Janet Dailey, 2014-04-01 Florida gets hot in the New York Times bestselling author s Americana series when a woman is torn between her fianc and his gorgeous brother Discover romance across America with Janet Dailey s classic series featuring a love story set in each of the fifty states Barbara has been hurt by love before but now after only a month together she s found the man she wants to marry Todd is good to her and excited to be

future at this hospital It isn't easy Every time we argue I want her even more But I've got secrets she can never know and she's always going to be way too good for me So it's best if she hates me at least that's what I keep telling myself **Ice: a Southern Night's Dream** Anonymous,2022-12-07 Reprint of the original first published in 1871 Hot Southern Nights Gen Griffin, Trish Shallowman feels like her life has been put on pause She has an ex husband who doesn't understand the meaning of the word ex a career that tanked before she ever worked her first day and a car that breaks down on alternating Wednesdays When Trish's mother asks her to temporarily move to Possum Creek so she can take care of her ailing grandfather Trish figures that a change of scenery can't make her situation in life any worse She wasn't expecting to spend most of her days trying to prevent her grandfather from shooting at the mailman or that her impossibly gorgeous neighbor would decide he wanted to be her first ever one night stand She definitely wasn't expecting that two months in Possum Creek would make her question whether the future she's spent so much time waiting for is really the future she wants **Haunted Echoes & Southern Nights** Peter D. Baker,2023-10-31 Children going missing A corrupt police officer A drug dealing motorcycle gang A car breaking down on the way to see the Great American Bash And Daniel Belascoe deals with it all while trying to impress the woman of his dreams who is far too smart for him Long before Daniel raised his tough as nails daughter Bethany Belascoe he was a rookie Savannah cop trying to do some good despite his rotten partner When that partner seems guilty of more than just negligence Daniel begins investigating Things get even trickier when Daniel finds himself stranded in a small town with his new paramour Rebecca Church and he stumbles upon a mystery involving lost children a local legend and the stench of demonic activity Can Daniel get to the bottom of these mysteries in time to find a missing child fix the car and see Dusty Rhodes and Ric Flair fight for the championship inside of a steel cage And will Rebecca decide he's worth the trip despite the fact that he's never seen Gremlins *Sweet Southern Nights* Rochelle Alers,2012-03-01 The Kentucky clinic where Dr Levi Eaton is volunteering is worlds away from his wealthy Pennsylvania roots Still the South has plenty of attractions like his colleague's captivating sister Angela Chase is sexy charming and looking for fun not commitment That combination suits Levi just fine until he begins to appreciate what lies beneath her Southern belle facade Her fiancé's betrayal destroyed Angela's faith in men and inspired a double life that would surprise her prominent family Hiding her true self from a man as charismatic as Levi isn't so easy and for once she isn't sure she wants to try But without the courage to trust him with her secrets their sultry Southern nights may soon be just a haunting memory **THINGS BuILt** Anthony Green Jr.,2014-06-06 Inside of a slightly dimmed room with just enough light to see the canvas but still it's as if the room is completely dark the way thoughts become visible without distraction Slight ventilation from a cracked window constantly rumbles papers on the floor out of sight of the light On my desk are lined paper and a box of pencils rather than pens because I've grown to become indecisive in this process In these sessions I often thought of the greats who influenced me So to the left of my paper was a typewriter and behind me were timeless horns and vibrant jazz screaming from vinyl This is the
