## Look Into The Bible:

**Iran's Great Invasion and Why It's Next in Bible Prophecy** Mark Davidson, 2017-02-24 What would you do What if you stumbled across a message a simple interpretation of scripture much simpler than scholars had been telling us and it opened your eyes and completely transformed your perspective of the end times What if you knew in your heart and mind it was true because news coming from the Middle East confirmed this message every day What if millions of lives were about to be deeply affected and someone had to say something And what if that someone had to be you What would you do If you want to know the truth regarding present day events in the Middle East and how they will affect you and your family you need to get this book A major fire has been lit and few are paying attention Dr Sonny Payne founder of New Gate Ministries and host of the international television program Jerusalem Chronicles What Mark has done is create a very quick read for those Christians who can feel something coming but cant put their finger on it who know that God is in control but in a world spiraling into chaos dont know where to go scripturally Chris Mantei Northeast Region Community Voice Voice of the Martyrs The message in this book needs to be heard today I wholeheartedly and enthusiastically recommend this book It will change the way you face the future Carl Sutter senior pastor Foundations Church Loveland Colorado *Footsteps on Life's Pathway* Lewis Weaver, 2023-03-14 Reprint of the original first published in 1874 **Bible Study Manual** Michael

Looking into the Revelation Dr. Boyd O. Gray, 2013-08 Since the Bible was first written the book of Revelation has provided readers with a glimpse of what is to come But even as the world rapidly fulfills the ancient Scripture many still avoid its obscure symbolic language which often lends itself to fanatical interpretation In Looking into the Revelation a seasoned pastor uses various version of the Bible to provide a clear explanation of biblical texts relating to the end of the world as we know it Dr Boyd Gray a minister with more than thirty years of experience offers a comprehensive study from the premillennial view based on his opinion that the masses are either not ready for the return of Christ or have dismissed it as myth altogether As Dr Gray works his way through Scripture detailing the truths of John the Apostle and the predicted tribulations of the Antichrist he demonstrates through his interpretations that God's Word is the truth a message he hopes will motivate sinners to heed the Lord's gracious call to salvation Looking into the Revelation shares a careful examination of biblical text that seeks to encourage people of all faiths to reexamine their lives and their beliefs and to fall in love with the Lord Jesus Christ **What Everyone Should Know about the Bible** V. Pink's Studies In The Scriptures - 1922-23, Volume 1 of 17** Arthur W Pink,2001-09      **Life After Death** William Landon,2008-10-07 THERE ARE FEW SUBJECTS IN HUMAN THOUGHT THAT RAISE SUCH STRONG EMOTIONS AS THE AFTERLIFE What if anything awaits us after we leave this physical world Are we reincarnated to try to get it right through another life Do we simply vanish Do we enter some state of bliss or torment based on our good deeds or lack of them It seems that there is no end of conjecture offered by human religion and philosophy on

this subject Yet most of this seems to be nothing more than baseless speculation As we have no evidence indeed we cannot have any physical evidence of what becomes of us after our physical death it appears that we have no choice but to pick the idea that is most appealing to us and go with it It is true enough that we will ultimately pick the idea of the afterlife that we choose to believe to be correct yet this is a matter of sufficiently great importance to warrant our choosing wisely The source of information we choose to accept as the correct depiction of the afterlife is one of the most critical decisions we will ever make While this will ultimately be a matter of belief we owe it to ourselves to make our choice based on what these sources actually say and not on what we think they say or what others tell us they say This book is presented as a look at the Bible s teaching on the subject of the afterlife and the choices available to us for an existence after this present life is over The findings presented in this book are at considerable variance with the teachings of traditional institutional Christian church doctrine and dogma It is the author s hope that the points presented here will give the reader a different perspective of the biblical view of life death and afterlife     Orange Judd Farmer ,1916     *The Heathen Woman's Friend* ,1889     **What You Need to Know About Spiritual Growth in 12 Lessons** Max Anders,2012-09-10 Discover the exciting growth plan for your life Find out how God can use anything in your life to help you become more like His Son Jesus Christ Explore God s abundant resources that nourish you His Spirit the Bible the church time and challenges and the spiritual disciplines proven paths to a fruitful life Learn how God speaks to believers and empowers them to overcome entrenched sins What You Need to Know about Spiritual Growth will help you grow in Christ secure in His love strong in His grace and seasoned to persevere for daily victories and joyful service to others Features include 12 lessons you can complete in under 1 hour each Real life application of biblical truth Explanations of prominent Christian views on the topic Easy to teach resources including previews and summary features Questions for discussion Core teachings on Christianity that will challenge any seeker new believer or veteran believer looking for a stronger foundation What You Need to Know About study guides sold to date More than 200 000     *The Complete Analysis of the Holy Bible*:.
