Through My Window Darryl Snoddy, 2017-06-13 Someday I will be happy are the words of those who dream But happy flows just like the wind it comes and goes you see The things we try to hold to are just worldly things indeed And time will show that worldly things are not the things we need Darryl Snoddy Inspired by a newfound willingness to share his innermost emotions and thoughts with the world Darryl Snoddy opens a window into his heart where he poetically reflects on his unique journey through life as he learned to embrace the lessons that accompanied his joyful inspiring and challenging experiences Snoddy lyrically explores a variety of topics that include unfair judgment of others the struggles of a Vietnam veteran the unconditional love between soul mates an important lesson learned from an old neighbor the heartache and regret after the loss of a cherished friend and a weary mother's struggles as she does what she must to help her children survive Through My Window shares a collection of poems that allows an honest view into one man's life as he walks down an enlightened path that leads him to thoughtful discoveries about himself and others around him

Judi Emm, 2005-08-01 Olivia is a young girl from a working class family background she comes from a small countryside village nestled away along with other villages in the Hope Valley area of Derbyshire in England The story follows the events through her life over two decades Beginning in 1967 as she is brought by an ambulance to a hospital in Manchester England when she is losing an aborted baby and she endures an inhumane and horrific experience at the hands of a sadistic doctor Olivia's life then begins to move forward when she joins a happy Hippie Movement crowd before entering into a controversial marriage to a man many years her senior Then a short time later she experiences with her husband a very traumatic car accident where at the hospital the attending doctor's prognosis predicting that her life will soon be coming to an end But her body soul and willpower insist on fighting for her survival A few years later she enters into a second doomed marriage And in the following years that pass Olivia's life seems to turn into a big ROLLER COASTER RIDE Now always filled with sex drugs and rock roll as she clings to this wild and crazy hedonistic lifestyle for her own emotional security Until many years later when taking an overall view and stock of her life which now seems to be coming so totally out of her control she finally decides that it's time for her to jump off all of these fast fun filled rides which are taking her to nowhere So after much soul searching about what she does now really want in her life she decides that it is time for a reconciliation with her second husband Alex They decide to go to start a fresh new life when they go to live together in North America leaving all of her past behind her in England So now finally at last Olivia begins to enjoy the much needed love of her husband and family which deep down she had been craving for most of her life Suddenly

from somewhere one night out of the blue in the year of 1987 a deep dark hidden force in her life returns turning twenty long lost hidden years into a FULL CIRCLE Motivating her now to visit the world down under in Australia forcing her to now confront and deal with her dark secret hidden past which tragically ends with sad dramatic consequences WHO IS OLIVIA The writer has portrayed in this woman s fiction novel a person that is as far removed from anything in Hollywood as possible She s just an ordinary girl who could be living next door to you or anyone else in the North of England The life of Olivia has been portrayed and written in colourful vivid imaginary and detailed true to life form so that the readers can visualise Olivia as a real true to life person that they could possibly identify with in part While at times understanding and feeling that some of the things that happened in her life could also have possibly happened in their own But no matter what trauma hardship heartache or crisis arrives in Olivia s life she not only challenges it grows from it and flourishes she is also very determined to survive it all whatever life throws her way And the readers will soon realize that no matter how tough Olivia s going gets she will never give up even when she feels that her world is crashing as it begins to crumble down all around her she will keep on striving until she perseveres Yes Olivia is a true survivor and will always manage to keep on swimming until she reaches and gets herself across to the other side of the shore So come on you ladies And make yourselves very comfortable for this controversially absorbing story about the reality of a woman who could be you or one of your friends As Olivia dares u all to take this positively exciting and emotionally charged ROLLER COASTER RIDE with her hoping you can hang on until the end as you deal with what her life has in store as it turns into a FULL CIRCLE

The Man Who Forgot Christmas Max Brand **The Sabbath Recorder**, 1924 Through a Pane on My Window Chief Nnamdi A. Ekenka, 2016-01-30
 A writer bored out of his mind kept staring out of a pane on his window until he was transfixed into an image of a young girl who appeared and beckoned him to follow. She retraced her life through the steps in the writer's view and leads him through the life she led to her afterlife. Her story recounts her tribulations with antiquated customs and traditions of her people that resulted in self-exile to the United States with her husband and son. In the States, her family faced a new kind of affliction after her husband was incarcerated in the federal penitentiary. Her life changed drastically thereafter as she decided to build a business to avail her childhood dreams and constitute herself into a philanthropist of sorts and a self-acclaimed advocate for the downtrodden. In her last mission to her home country in furtherance of her philanthropy and advocacy for women and children and to speak out against moribund traditional beliefs and atrocious cultural practices that included female circumcision, she was inadvertently gunned down by armed robbers. Even though she left a legacy of selflessness, benefaction, and hope, she still spent her time at the level of consciousness for rebirth, wondering if she did enough and if she ought to return to do some more. Her story and the writer's take makes an incursion into life and its connection to and with the supernatural and beyond. Fiction and reality merge into the creation of a fantastic tale of the worthiness of life and living. *Sir Licksalot and the Maverick Fools* D. L. Carroll, 2008-02
 Blaze N Haught once the most popular kid in fifth grade becomes a loner when his parents move from their big city condo to a beach house. His parents agree to adopt a stray dog, Sir Licksalot, so long as Blaze promises to make an effort to meet new friends. A competition is underway when the boys notice their sisters and Sir Licksalot have disappeared from the mysterious water fountain in Blaze's backyard. While searching for the girls and Sir Licksalot, the boys find themselves on a death-defying adventure in Mavericks Extreme Water Cave. Who said Surf's up? Who will survive? **The Green Leaves of Winter** E.D. Lambert, 2012-08
 In 2004 I joined a writing group run by two lectures from The University of East Anglia. The result of which is my book *The Green Leaves of Winter*, a collection of short stories and poems. The stories and poems are mostly humorous, serious, horrific, with a strong sexual element. The inclusion of the poems breaks up the stories, making the book a more

interesting read The stories range from bare fist fighting naughty Nuns Black Shuck the devil s dog even god trying to make prettier bums for his angels and a dog on trial trying to stop them removing his nuts Truly a strange story collection
