Look at You, Zak!

This book and its companion tape are designed to help you and your child share Zak's special happiness as he realizes how important he is to his family, and how meaningful his accomplishments are. The story is a natural lead-in to fostering your own child's self-esteem. The major issues facing us as we foster children's self-esteem are as follows:

- Children need praise for their accomplishments.
- Children need the attention and understanding of parents to build self-confidence.
- Children need encouragement to try their best at tasks that may seem frustrating.
- Children need to know their role and value within their own family.

The book may be used with the tape. Side 1, or read aloud without the tape. Side 2 of the tape brings Zak, Amy, and more of the Alphabet Pals together in a song for your child. LOOK WHAT WE CAN DO.
